SUPPLEMENTARY INFORMATION:

Title: Training Evaluation and Outreach Forms.

OMB Control Number: 1010-0110.

Bureau Form Number: n/a.

Abstract: The Department of the Interior (DOI) is responsible for matters relevant to mineral resource development on Federal and Indian Lands and the Outer Continental Shelf (OCS). The Secretary of the Interior (Secretary) is responsible for managing the production of minerals from Federal and Indian Lands and the OCS; for collecting royalties from lessees who produce minerals; and for distributing the funds collected in accordance with applicable laws. The Secretary also has an Indian trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. We perform the royalty management functions and assist the Secretary in carrying out DOI's Indian trust responsibility.

We provide training and outreach to our constituents to facilitate their compliance with laws and regulations and to ensure that constituents are well informed. We use training and outreach evaluation questionnaires to improve on our training and outreach efforts and to assure its continued relevance. We present training sessions to the oil and gas and solid minerals reporters on various aspects of royalty reporting, production reporting, and valuation. We also provide outreach sessions to individual Indian minerals owners, Indian Tribes, and the Bureau of Indian Affairs on Indian royalty management issues. Additionally, we provide training sessions to our financial and systems contractors and State and Tribal auditors.

During the last few minutes of each training or outreach session, RMP asks participants to complete and return evaluation questionnaires. Participant response is voluntary. Some questions are uniform across all of the evaluation questionnaires; however, we also ask questions specific to each type of training or outreach or specific to our audiences. Proprietary information is not requested, and there are no questions of a sensitive nature included in this information collection.

Frequency: On occasion.

Estimated Number and Description of Respondents: 1800 industry representatives, State auditors, Indian auditors, Indian Tribes, and Indian allottees, MMS contractors, and MMS employees.
