SUPPLEMENTARY INFORMATION:**I. Abstract**

The FY 2002 Commerce, Justice, State Appropriations Act directed the Secretary of Commerce to establish a Coastal and Estuarine Land Conservation Program (CELCP) to protect important areas that have significant conservation, recreation, ecological, historical, or aesthetic values, or that are threatened by conversion, and to issue guidelines for this program delineating the criteria for grant awards. The guidelines establish procedures for eligible applicants who choose to participate in the program to use when developing state conservation plans, proposing or soliciting projects under this program, applying for funds, and carrying out projects under this program in a manner that is consistent with the purposes of the program. NOAA also has, or is given, authority under the Coastal Zone Management

Act, annual appropriations or other authorities, to issue funds to coastal states and localities for planning, conservation, acquisition, protection, restoration, or construction projects. This information collection enables NOAA to implement the CELCP, under its current or future authorization, and facilitate the review of similar projects under different, but related authorities.
