

screws, rivets, welds or any other type of fastener.⁶

On May 1, 2006, the Department issued a scope ruling determining that the “moon chair” was outside the scope of the antidumping duty order because it collapses rather than folds as a chair subject to the order would fold, and it does not have a back pad or seat pad commonly found in folding chairs. Moon chairs are described as containing circular, fabric-padded, concave cushions that envelope the user at approximately a 105-degree reclining angle. The fabric cushion is ringed and supported by two curved 16-mm steel tubes. The cushion is attached to this ring by nylon fabric. The cushion is supported by a 16-mm steel tube four-sided rectangular cross-brace mechanism that constitutes the moon chair’s legs. This mechanism supports and attaches to the encircling tubing and enables the moon chair to be folded. To fold the chair, the user pulls on a fabric handle in the center of the seat cushion of the chair.⁷

Continuation of Order

As a result of the determinations by the Department and the ITC that revocation of the AD order on folding metal tables and chairs from the PRC would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the AD order on folding metal tables and chairs from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. This review covers imports from all manufacturers and exporters of folding metal tables and chairs from the PRC.

The effective date of continuation of this AD order will be the date of publication in the **Federal Register** of this Continuation Notice. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of this order not later than September 2012.

This five-year or “sunset” review and notice are in accordance with section

751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: October 31, 2007.

SUPPLEMENTARY INFORMATION:

Background

On July 27, 2006, the Department of Commerce (“the Department”) published the initiation of the administrative review of the antidumping duty order on folding metal tables and chairs from the People’s Republic of China (“PRC”). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 42626 (July 27, 2006). On July 11, 2007, the Department published the preliminary results. See *Folding Metal Tables and Chairs from the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 37703 (July 11, 2007). This review covers the period June 1, 2005, through May 31, 2006. The final results are currently due by November 8, 2007.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), the Department shall make a final determination in an administrative review of an antidumping duty order

within 120 days after the date on which the preliminary results are published. The Act further provides, however, that the Department may extend that 120-day period to 180 days after the preliminary results if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the administrative review of folding metal tables and chairs from the PRC within the 120-day period due to complex issues the parties have raised regarding surrogate financial statements. In accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review by 30 days to 150 days after the date on which the preliminary results were published. Therefore, the final results are now due no later than December 7, 2007.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: October 29, 2007.

Deputy Assistant Secretary for Import Administration.
