SUPPLEMENTARY INFORMATION:
I. Abstract

Reclamation collects Reclamation-
wide recreation and concession
information (1) in support of existing
public laws including the Land and
Water Conservation Fund Act (Pub. L.
88-578), the Federal Water Project
Recreation Act (Pub. L. 89-72), and the
Federal Lands Recreation Enhancement
Act (Pub. L. 108-477); and (2) to fulfill
reports to the President and the
Congress. This collection of information
allows Reclamation to (1) Meet the
requirements of the Government
Performance and Results Act (GPRA);
(2) fulfill congressional and financial
reporting requirements; and (3) support
specific information required by Federal
legislation and the Department of the
Interior's GPRA-based strategic plan.
Collected information will permit
relevant program assessments of
resources managed by Reclamation, its
recreation managing partners, and/or
concessionaires for the purpose of
implementing Reclamation's mission to
manage, develop, and protect water and
related resources in an environmentally
and economically sound manner in the
interest of the American people.
Specifically, the collected information
provides Reclamation with the ability to
(1) Evaluate program and management
effectiveness pertaining to existing
recreation and concessionaire resources
and facilities; (2) assist in prioritizing
Reclamation funding; and (3) validate
effective public use of managed
recreation resources located on
Reclamation project lands in the 17
Western States.

**II. Changes to the Recreation Use Data
Report Forms Parts I and II**

Reclamation slightly modified Parts I
and II forms by reformatting each by (1)
Rearranging the questions in a more

logical sequence; (2) deleting non-
relevant questions; and (3) adding
questions that specifically address the
recreation program needs of
Reclamation. Note that some of the
questions asked of the concessionaires
in Part II, Form 7-2535 were deleted
because some of the information
originally being collected from the
concessionaires was redundant to the
information already being collected
from Reclamation's non-Federal
partners in Part I, Form 7-2534. In
addition, the title to Part I, Form 7-2535
was changed from Managing Partners to
Non-Federal Managing Partners to more
accurately reflect that Reclamation is
only collecting information from our
non-Federal partners and not our
existing Federal partners.

In the Matter of Certain Power Supply Controllers and Products Containing Same; Limited Exclusion Order

On June 13, 2005, the Commission instituted this investigation, based on a complaint filed by Power Integrations, Inc. ("PI") of San Jose, California. 70 FR. 34149 (June 13, 2005). The complaint, as amended and supplemented, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain power supply controllers and products containing the same. The Commission determined that System General Corporation ("SG") of Taipei, Taiwan, violated section 337 by reason of infringement of claims 1, 3, 5, and 6 of United States Patent No. 6,351,398 ("the '398 patent") and claims 26 and 27
