

which would benefit all market participants by providing more trading opportunities and tighter spreads, even to those market participants that do not participate in the ACE Program. Additionally, the Exchange believes the proposed changes to the ACE Program are consistent with the Act because they may attract greater volume and liquidity to the Exchange, which would benefit all market participants by providing tighter quoting and better prices, all of which perfects the mechanism for a free and open market and national market system.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹⁷ the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange acknowledges that the proposed changes relating to transaction charges and/or credits, including the Sliding Scale and ACE Program, may increase both intermarket and intramarket competition by incenting participants to direct their orders to the Exchange, which will enhance the quality of quoting and may increase the volume of contracts traded on the Exchange. To the extent this purpose is achieved, the Exchange believes the proposed amendments are pro-competitive and any resulting increase in volume and liquidity to the Exchange would benefit all of Exchange participants through increased opportunities to trade as well as enhancing price discovery.

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁸ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76937; File No. SR-NYSEArca-2016-09]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Fees for NYSE Arca BBO and NYSE Arca Trades

January 20, 2016.

Pursuant to section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (“Act”) ² and Rule 19b-4 thereunder, ³ notice is hereby given that, on January 11, 2016, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission” or “SEC”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the fees for NYSE Arca BBO and NYSE Arca Trades to: (1) Establish a multiple data feed fee; (2) discontinue fees relating to managed non-display; (3) modify the application of the access fee; and (4) reduce the Enterprise Fee. The proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the fees for NYSE Arca BBO and NYSE Arca Trades market data products, ⁴ as set forth on the NYSE Arca Equities Proprietary Market Data Fee Schedule (“Fee Schedule”). The Exchange proposes to make the following fee changes effective January 4 [sic], ⁵ 2016:

- Establish a multiple data feed fee;
- Discontinue fees relating to managed non-display;
- Modify the application of the access fee; and
- Reduce the Enterprise Fee.

Multiple Data Feed Fee ⁶

The Exchange proposes to establish a new monthly fee, the “Multiple Data Feed Fee,” that would apply to data recipients that take a data feed for a market data product in more than two locations. Data recipients taking NYSE Arca BBO or NYSE Arca Trades in more than two locations would be charged \$200 per additional location per product per month. No new reporting would be required. ⁷

Managed Non-Display Fees

Non-Display Use of NYSE Arca market data means accessing, processing, or consuming NYSE Arca market data delivered via direct and/or Redistributor ⁸ data feeds for a purpose

⁵ The Commission notes that, as stated in the Exhibit 5, the proposed fee changes were effective as of January 11, 2016.

⁶ The text of footnote 5 in Exhibit 5 of this proposed rule change was previously filed under a separate filing. See SR-NYSEArca-2016-01 (Proposed Rule Change to Amend the Fees for NYSE ArcaBook).

⁷ Data vendors currently report a unique Vendor Account Number for each location at which they provide a data feed to a data recipient. The Exchange considers each Vendor Account Number a location. For example, if a data recipient has five Vendor Account Numbers, representing five locations, for the receipt of the NYSE Arca BBO product, that data recipient will pay the Multiple Data Feed fee with respect to three of the five locations.

⁸ “Redistributor” means a vendor or any other person that provides an NYSE Arca data product to a data recipient or to any system that a data
