The Marion Generating Station is located approximately eight miles south of Marion in Williamson County, Illinois. RUS may provide financial assistance to SIPC for this project.

RUS has concluded that the impacts of the proposed project would not be significant and the proposed action is not a major federal action significantly affecting the quality of the human environment. Therefore, the preparation of an environmental impact statement is not necessary.

**SUPPLEMENTARY INFORMATION:** RUS, in accordance with its environmental policies and procedures, required that SIPC prepare an Environmental Analysis reflecting the potential impacts of the proposed facilities. The Environmental Analysis, which includes input from federal, state, and local agencies, has been reviewed and accepted as RUS' Environmental Assessment (EA) for the project in accordance with 7 CFR 1794.41. SIPC published notices of the availability of the EA and solicited public comments per 7 CFR 1792.42. The 30-day comment period on the EA for the proposed CFB boiler project ended April 16, 2001. The U.S. Environmental Protection Agency, Region 5, reviewed the EA and stated that the proposed project should not adversely affect human health or significantly degrade the environment. They further stated that the use of appropriate measures for the control of dust, noise, and erosion during construction activities should be sufficient to alleviate the moderate or short-term impacts that are likely to occur. No other comments were received on the EA.

Based on the EA, RUS has concluded that the proposed action will not have a significant effect to various resources, including important farmland,

floodplains, wetlands, cultural resources, threatened and endangered species and their critical habitat, air and water quality, and noise. RUS has also determined that there would be no negative impacts of the proposed project on minority communities and low-income communities as a result of the construction of the project.

The EA and the FONSI is available for public review at the RUS or the headquarters of SIPC at the addresses provided in this notice and at the following location:

### Foreign-Trade Zones Board

[Docket 19-2001]

#### Proposed Foreign-Trade Zone—Jefferson County, Pennsylvania Application and Public Hearing

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the North Central Pennsylvania Regional Planning and Development Commission (a Pennsylvania not-for-profit corporation),

to establish a general-purpose foreign-trade zone in Washington Township, Jefferson County, Pennsylvania, adjacent to the Pittsburgh Customs port of entry. The application was submitted pursuant to the provisions of the FTZ Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on April 27, 2001. The applicant is authorized to make the proposal under Pennsylvania Consolidated Statute, Title 66, Chapter 31 of Act 116 of 1978.

The proposed zone would be the second general-purpose zone in the Pittsburgh Customs port of entry area. The existing zone is FTZ 33 in Pittsburgh, Pennsylvania (Grantee: Regional Industrial Development Corporation of Southwestern Pennsylvania, Board Order 124, 42 FR 59398, 11/17/77).

The proposed new zone (337 acres) would be located at the DuBois-Jefferson County Airport complex, Route 830, Washington Township, Falls Creek. The proposed zone project is part of the applicant's economic development efforts which cover a six county region (Cameron, Clearfield, Elk, Jefferson, McKean and Potter). The proposed zone site is owned by the Clearfield-Jefferson Counties Regional Airport Authority and is also part of the Keystone Opportunity Zone, a local and state tax exemption program.

The application indicates a need for foreign-trade zone services in the north central Pennsylvania region. Several firms have indicated using zone procedures for such items as powdered metal parts, wood products, electronic card connectors, and glass food containers. Specific manufacturing approvals are not being sought at this time. Requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

As part of the investigation, the Commerce examiner will hold a public hearing on June 5, 2001, at 1 p.m., Jefferson County Court House, Main Court Room, Brookville, Pennsylvania 15825.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is July 6, 2001. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to July 23, 2001).
