- Federal government agencies;
- State and local government agencies; and
- Qualified representatives of other stakeholders and interested parties with relevant experience.

Selections will be made on the basis of factors such as expertise and diversity of viewpoints that are necessary to address effectively the questions before the Committee. Individuals who do not represent an organization, institution, or entity, but who possess expertise valuable to the Committee's work are also welcome to apply. If appointed, such individuals would serve as Special Government Employees (SGEs) subject to conflict of interest rules, financial disclosure requirements, and limitations on financial holdings similar to those applicable to regular agency employees. In addition, under current White House guidance, such individuals (unlike those who are serving in a representative capacity) cannot be registered federal lobbyists. Committee members will not be compensated for their service. Members must be willing to commit to a two (2) year term of service, should be willing and able to attend at least three (3) one-day plenary committee meetings during each year of the Committee's term, and are also encouraged to participate in deliberations of at least one (1) subcommittee or working group for which they have interest and qualifications. The time commitment for participation in any subcommittee or working group may be substantial. However, subcommittee and working group meetings may be conducted informally, using suitable technology to facilitate the meetings, subject to oversight by the Designated Federal Official of the DAC.

#### **Application Procedure, Deadline and Member Appointments**

Nominations should be received by the Commission as soon as possible, but no later than January 12, 2015. No specific nomination form is required; however, each nomination must include the following information:

- Name, title, and organization of the nominee and a description of the organization, sector or other interest the nominee will represent;
- Nominee's mailing address, email address, and telephone number;
- A statement summarizing the nominee's qualifications (including relevant experience and expertise) and reasons why the nominee should be

appointed to the Committee. To the extent the nominee will represent a specific organization, the statement should also include a description of the organization as well as the benefit of having the organization represented on the Committee;

- A statement confirming that the nominee is not a registered federal lobbyist, if seeking appointment for the individual's expertise and not as a representative of an organization or entity; and

- The specific subcommittee(s), if any, on which the nominee has an interest in serving, along with the nominee's qualifications to serve on such subcommittee. If indicating more than one subcommittee, the nominee should list these in order of preference.

For applicants seeking to represent an organization or company, the applicant's nomination to the Committee must be confirmed by an authorized person (e.g., organization or company official) confirming that the organization or company wants the nominated person to represent it on the Committee.

Nominations, including all information outlined herein, should be submitted by email to [DAC@fcc.gov](mailto:DAC@fcc.gov). Nominations should be submitted by January 12, 2015.

Please note this Notice is not intended to be the exclusive method by which the Commission will solicit nominations and expressions of interest to identify qualified candidates; however, all candidates for membership on the Committee will be subject to the same evaluation criteria.

After the applications have been reviewed, the Commission will publish a notice in the **Federal Register** announcing the appointment of Committee members and the first meeting of the Committee. Members serve at the discretion of the Chairman of the Commission and must be willing to commit to serve for a period of two (2) years from the date of establishment of the Committee.
