

but for the higher guaranty level). Based on past cancellation experience in SBA's loan programs, SBA expects that only a limited number of borrowers with cancelled/resubmitted loans will meet the criteria for a new loan with a higher guaranty percentage.

Changes to all loans approved prior to March 16, 2009, including loan increases, will be processed as changes to the original loan in accordance with SBA's standard practice.

SBA will provide further guidance as necessary, through SBA notices published on SBA's Web site, <http://www.sba.gov>.

Questions on the increased maximum guaranty percentage may be directed to the Lender Relations Specialist in the local SBA district office. The local SBA district office may be found at <http://www.sba.gov/localresources/index.html>.

Authority: Public Law 111-5, Div. A, Title V, Section 502, 123 Stat. 115.

Karen G. Mills,
Administrator.

SMALL BUSINESS ADMINISTRATION

SBA North Florida District Advisory Council

AGENCY: U.S. Small Business Administration.

ACTION: Notice of open Federal advisory committee meeting.

SUMMARY: The SBA is issuing this notice to announce the location, date, time, and agenda for the next meeting of the SBA North Florida District Advisory Council. The meeting will be open to the public.

DATES: The meeting will be held on Wednesday, June 24th from 12 p.m. to 2:30 p.m. Eastern Standard Time.

ADDRESSES: The meeting will be held at the Florida Institute of Human and Machine Cognition located at 40 South Alcaniz Street, Pensacola, Florida 32502.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (5 U.S.C., Appendix 2), SBA announces the meeting of the SBA North Florida District Advisory Council. The SBA North Florida District Advisory Council is tasked with providing advice and opinions to SBA regarding the effectiveness of and need for SBA programs, particularly within North Florida and for listening to what is currently happening in the Florida small business community.

The purpose of the meeting is to discuss with the council the current status of small business across North Florida and to discuss the agency status under the new Administrator. The agenda includes: an overview of the status of the SBA as an agency from Wilfredo J. Gonzalez, SBA District Director, program updates from SBA staff, and an open forum to hear from the members of the council/audience.

FOR FURTHER INFORMATION CONTACT: The meeting is open to the public; however, advance notice of attendance is requested. Anyone wishing to attend and/or make a presentation to the SBA North Florida District Advisory Council must contact Lola Kress Naylor by June 19th, 2009, by fax or e-mail in order to be placed on the agenda. Lola Kress Naylor, Business Development Specialist, SBA North Florida District Office, lola.naylor@sba.gov, (904) 443-1933, fax (202) 481-4188. Additionally, if you need accommodations because of a disability or require additional information, please contact Lola Kress Naylor, Business Development Specialist, SBA North Florida District Office, lola.naylor@sba.gov, (904) 443-1933.

Dated: June 1, 2009.

Meaghan Burdick,

SBA Committee Management Officer.

BILLING CODE P

SMALL BUSINESS ADMINISTRATION

Small Business Size Standards: Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notice to waive the Nonmanufacturer Rule for Product Service Code (PSC) 9130—Liquid

Propellants—Petroleum Base Manufacturing.

SUMMARY: The U.S. Small Business Administration (SBA) is granting a waiver of the Nonmanufacturer Rule for PSC 9130—Liquid Propellants—Petroleum Base Manufacturing. The basis for waiver is that no small business manufacturers are supplying these classes of products to the Federal government. The effect of a waiver would be to allow otherwise qualified small businesses to supply the products of any manufacturer on a Federal contract set aside for small businesses, service-disabled veteran-owned small businesses or participants in SBA's 8(a) Business Development (BD) Program.

DATES: This waiver is effective June 23, 2009.

FOR FURTHER INFORMATION CONTACT: Pamela M. McClam, Program Analyst, by telephone at (202) 205-7408; by FAX at (202) 481-4783; or by e-mail at Pamela.McClam@sba.gov.

SUPPLEMENTARY INFORMATION: Section 8(a)(17) of the Small Business Act (Act), 15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses or participants in SBA's 8(a) (BD) Program to provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. SBA's regulations provided the same for procurements set aside for service-disabled veteran-owned small business concerns. This requirement is commonly referred to as the Nonmanufacturer Rule. See 13 CFR § 121.406(b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market. In order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months. 13 CFR 1202(c).

The SBA defines "class of products" based on the Office of Management and Budget's North American Industry Classification System (NAICS) and PSCs within the NAICS code category. SBA received a request on April 20, 2009, to waive the Nonmanufacturer Rule for NAICS 324110, Petroleum Refineries, PSC 9130—Liquid Propellants—Petroleum Base Manufacturing.

In response, on May 11, 2009, SBA published in the **Federal Register** a

notice of intent to waive the Nonmanufacturer Rule for PSC 9130—Liquid Propellants—Petroleum Base Manufacturing. SBA explained in the notice that it was soliciting comments and sources of small business manufacturers of this class of products. No comments were received and SBA has determined that there are no small business manufacturers of these classes of products. Therefore, SBA is granting the waiver of the Nonmanufacturer Rule for PSC 9130—Liquid Propellants—Petroleum Base Manufacturing.

Karen C. Hontz,

Director for Government Contracting.

BILLING CODE 8025-01-P

SMALL BUSINESS ADMINISTRATION

Small Business Size Standards: Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notice of intent to waive Nonmanufacturer Rule.

SUMMARY: The U. S. Small Business Administration (SBA) is considering granting a waiver of the Nonmanufacturer Rule for 13 Watt Compact Fluorescent Lamps (CFLs), 26 Watt CFLs, and Occupancy Sensors Dual Technology. According to a request, no small business manufacturers supply these classes of product to the Federal government. If granted, the waiver would allow otherwise qualified small businesses to supply the products of any manufacturer on a Federal contract set aside for small businesses, service-disabled veteran-owned small businesses, or Participants in the SBA's 8(a) Business Development (BD) Program.

DATES: Comments and source information must be submitted June 23, 2009.

ADDRESSES: You may submit comments and source information to Edith G. Butler, Program Analyst, Small Business Administration, Office of Government Contracting, 409 3rd Street, SW., Suite 8800, Washington, DC 20416.

FOR FURTHER INFORMATION CONTACT: Ms. Edith G. Butler, by telephone at (202) 619-0422; by FAX at (202) 481-1788; or by e-mail at edith.butler@sba.gov.

SUPPLEMENTARY INFORMATION: Section 8(a)(17) of the Small Business Act (Act), 15 U.S.C. 637(a)(17), and SBA's implementing regulations require that recipients of Federal contracts set aside for small businesses, service-disabled

veteran-owned small businesses, or participants in the SBA's 8(a) BD Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. 13 CFR 121.406(b), 125.15(c). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market.

In order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months. 13 CFR 121.1202(c).

The SBA defines "class of products" based on a six digit coding system. The coding system is the Office of Management and Budget North American Industry Classification System (NAICS). In addition, SBA uses product service codes (PSC) to further identify particular products within the NAICS code to which a waiver would apply.

The SBA is currently processing a request to waive the Nonmanufacturer Rule for 13 Watt CFLs, 26 Watt CFLs, and Occupancy Sensors Dual Technology, NAICS code 335110 PSC 6240.

The public is invited to comment or provide source information to SBA on the proposed waivers of the Nonmanufacturer Rule for this class of product code within 15 days after date of publication in the **Federal Register**.

Dated: June 2, 2009.

Karen C. Hontz,

Director for Government Contracting.
