Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies were provided to producers and exporters of crystalline silicon photovoltaic cells, whether or not assembled into modules, (solar cells) from the People's Republic of China (China) during the period of review (POR), January 1, 2021, through December 31, 2021. We are rescinding this review with respect to 65 companies. Interested parties are invited to comment on these preliminary results.

DATES: Applicable December 22, 2023.

FOR FURTHER INFORMATION CONTACT: Jose Rivera or Peter Shaw, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0842 or (202) 482-0697, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2023, Commerce initiated this administrative review of the countervailing duty (CVD) order on solar cells from China with respect to 86 companies.¹ Chint Solar (Zhejiang) Co., Ltd. (Chint Solar) and High Hope Zhongtian Corporation (High Hope Zhongtian) are the mandatory respondents. On August 1, 2023, Commerce extended the deadline for completion of these preliminary results until no later than December 15, 2023.² On December 14, 2023, Commerce further extended the deadline until no later than December 18, 2023.³

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 7060 (February 2, 2023).

² See Memorandum, "Extension of the Deadline for Preliminary Results of Countervailing Duty Administrative Review," dated August 1, 2023.

³ See Memorandum, "Second Extension of the Deadline for Preliminary Results of Countervailing Duty Administrative Review," dated December 14, 2023.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The products covered by this order are crystalline silicon photovoltaic cells, and modules, laminates, and panels, consisting of crystalline silicon photovoltaic cells, whether or not partially or fully assembled into other products, including, but not limited to, modules, laminates, panels, and building integrated materials. For a complete description of the scope of this order, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received a timely-filed withdrawal of review request with respect to Shenzhen Glory Industries Co., Ltd (Glory).⁵ Commerce also received a timely-filed withdrawal of review request with respect to: (1) Canadian Solar Manufacturing, Inc.; (2) New East Solar Energy Cambodia Co., Ltd.; (3) Trina Solar (Hefei) Science and Technology Co., Ltd.; (4) Trina Solar (Singapore) Science and Technology Pte. Ltd.; (5) Trina Solar Energy Development Company Limited; (6) Vina Cell Technology Company Limited; and (7) Vina Solar Technology

⁴ See Memorandum, "Decision Memorandum for the Preliminary Results of the Countervailing Duty Administrative Review, and Rescission in Part: Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules, from the People's Republic of China; 2021," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁵ See Glory Industries Co., Ltd., "Withdrawal of Request for Administrative Review," dated March 30, 2023.

Company Limited.⁶ Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable suspended entries. Based on our analysis of U.S. Customs and Border Protection (CBP) information, we preliminarily determine that 57 companies had no entries of subject merchandise during the POR. On November 17, 2023, we notified parties that we intended to rescind this administrative review with respect to the 65 companies for which all requests for review have been withdrawn or have no reviewable suspended entries.⁷ No parties commented on the notification of intent to rescind the review, in part. We are, therefore, rescinding the administrative review of these companies. For additional information regarding this determination, see the Preliminary Decision Memorandum. For a complete list of the companies, see Appendix III to this notice.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs preliminarily found to be countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient and that the subsidy is specific.⁸ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on facts available with adverse inferences pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Preliminary Rate for Non-Selected Companies Under Review

There are 14 companies for which a review was requested, which had reviewable entries, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. See Appendix II. For these companies, because the rates calculated for the mandatory respondents, Chint Solar and High Hope Zhongtian, were above *de minimis* and not based entirely on facts available, we are applying to the non-selected companies a rate using a weighted average of the individual subsidy rates

calculated for Chint Solar and High Hope Zhongtian. This methodology is consistent with our practice for establishing an all-others rate pursuant to section 705(c)(5)(A) of the Act.⁹

Preliminary Results of Review

Commerce preliminarily determines the net countervailable subsidy rates for the period January 1, 2021, through December 31, 2021, are as follows:

Company	Subsidy rate (percent)
Chint Solar (Zhejiang) Co., Ltd. (Chint Solar) ¹⁰	26.16
High Hope Zhongtian Corporation (High Hope Zhongtian) ¹¹	3.46
Non-Selected Companies Under Review ¹²	8.47

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.221(b)(4)(i), we preliminarily determined subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with

⁹ See *Truck and Bus Tires from the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, and Rescission of Review, in Part*; 2019, 86 FR 33644 (June 25, 2021).

¹⁰ This rate applies to: Chint Solar (Zhejiang) Co., Ltd. and its cross-owned companies: Chint New Energy Technology Co., Ltd.; Haining Chint Solar Energy Technology Co., Ltd.; Chint New Energy Technology (Yancheng) Co., Ltd.; Chint Solar (Yancheng) Co., Ltd.; Jiuquan Ching New Energy Technology Co., Ltd.; Chint Group Co., Ltd.; Zhejiang Chint Electrics Co., Ltd.; Zhejiang Chint New Energy Development Co., Ltd.; Chint Solar (Jiuquan) Co., Ltd.; and Chint Solar (Shanghai) Co., Ltd.

¹¹ This rate applies to: High Hope Zhongtian Corporation and its cross-owned companies: Jiangsu Highhope International Group Corporation and Jiangsu Suhui Asset Management Co., Ltd.

¹² See Appendix II of this notice for a list of all companies that remain under review but were not selected for individual examination and to which Commerce has preliminarily assigned the non-selected company rate.

19 CFR 351.212(c)(1)(i). For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rates

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits in the amounts indicated for the producers/exporters listed above with regard to shipments of subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.
