SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-92610; File No. SR-NYSEArca-2021-31]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To List and Trade Shares of the Valkyrie Bitcoin Fund Under NYSE Arca Rule 8.201-E

August 9, 2021.

On April 23, 2021, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade shares ("Shares") of the Valkyrie Bitcoin Fund ("Trust") under NYSE Arca Rule 8.201-E (Commodity-Based Trust Shares). The proposed rule change was published for

comment in the **Federal Register** on May 12, 2021.³

On June 22, 2021, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ This order institutes proceedings under Section 19(b)(2)(B) of the Act⁶ to determine whether to approve or disapprove the proposed rule change.

I. Summary of the Proposal

As described in more detail in the Notice,⁷ the Exchange proposes to list and trade the Shares of the Trust under NYSE Arca Rule 8.201-E, which governs the listing and trading of Commodity-Based Trust Shares on the Exchange.

The investment objective of the Trust will be for the Shares to reflect the performance of the value of a bitcoin as represented by the CF Bitcoin US Settlement Price ("Index"), less the Trust's liabilities and expenses.⁸ The Fund will use the Index to calculate the Trust's net asset value ("NAV").⁹ The Index serves as a once-a-day benchmark rate of the U.S. dollar price of bitcoin (USD/BTC), calculated as of 4:00 p.m., E.T. The Index aggregates the trade flow of several bitcoin exchanges, during an observation window between 3:00 p.m. and 4:00 p.m., E.T., into the U.S. dollar price of one bitcoin at 4:00 p.m., E.T. The current constituent bitcoin exchanges of the Index are Bitstamp, Coinbase, Gemini, iBit, and Kraken ("Constituent Bitcoin Exchanges"). In calculating the Index, the methodology creates a joint list of certain trade prices and sizes from the Constituent Bitcoin

Exchanges between 3:00 p.m. and 4:00 p.m., E.T. The methodology then divides this list into 12 equally-sized time intervals of 5 minutes and it calculates the volume-weighted median trade price for each of those time intervals. The Index is the arithmetic mean of these 12 volume-weighted median trade prices.¹⁰

The Shares of the Trust represent units of fractional undivided beneficial interest in, and ownership of, the Trust. The Trust will only hold bitcoin. The Custodian will establish accounts that hold the bitcoins deposited with the Custodian on behalf of the Trust.¹¹

The Administrator will calculate the NAV of the Trust once each Exchange trading day. The Sponsor will publish the NAV and NAV per Share as soon as practicable after their determination and availability, and the NAV will be released after the end of the Core Trading Session (4:00 p.m., E.T.). The NAV of the Trust is not officially struck until later in the day (often by 5:30 p.m., E.T., and usually by 8:00 p.m., E.T.). The Trust's NAV per Share is calculated by taking the current market value of its total assets, less any liabilities of the Trust, and dividing that total by the total number of outstanding Shares. The bitcoin held by the Trust will be valued based on the price set by the Index.¹²

The Trust will provide website disclosure of its bitcoin holdings daily.¹³ The Trust will also disseminate an intraday indicative value ("IIV") per Share updated every 15 seconds by one of more major market data vendors during the Exchange's Core Trading Session (normally 9:30 a.m. to 4:00 p.m., E.T.). The IIV will be calculated by a third-party financial data provider using the prior day's closing NAV per Share of the Trust as a base and updating that value throughout the trading day to reflect changes in the most recently reported price level of the CME CF Bitcoin Real-Time Index ("BRTI"), as reported by CME Group, Inc., Bloomberg, L.P., or another reporting service.¹⁴

The Trust will issue and redeem Shares to authorized participants on an ongoing basis in one or more "Baskets" of 50,000 Shares. The creation and redemption of a Basket requires the delivery to the Trust, or the distribution by the Trust, of the number of whole and fractional bitcoins represented by

each Basket being created or redeemed.¹⁵ Creation orders and redemption orders may be placed either “in-kind” or “in-cash.” Although the Trust will create Baskets only upon the receipt of bitcoins, and will redeem Baskets only by distributing bitcoins, an authorized participant may deposit cash with the Administrator, which will facilitate the purchase or sale of bitcoins through a liquidity provider on behalf of an authorized participant (“Conversion Procedures”).¹⁶

II. Proceedings To Determine Whether To Approve or Disapprove SR–NYSEArca–2021–31 and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act¹⁷ to determine whether the proposed rule change should be approved or disapproved. Institution of proceedings is appropriate at this time in view of the legal and policy issues raised by the proposed rule change, as discussed below. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, as described below, the Commission seeks and encourages interested persons to provide comments on the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,¹⁸ the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change’s consistency with Section 6(b)(5) of the Act, which requires, among other things, that the rules of a national securities exchange be “designed to prevent fraudulent and manipulative acts and practices” and “to protect investors and the public interest.”¹⁹

The Commission asks that commenters address the sufficiency of the Exchange’s statements in support of the proposal, which are set forth in the Notice,²⁰ in addition to any other comments they may wish to submit about the proposed rule change. In particular, the Commission seeks comment on the following questions

and asks commenters to submit data where appropriate to support their views:

1. What are commenters’ views on whether the proposed Trust and Shares would be susceptible to manipulation? What are commenters’ views generally on whether the Exchange’s proposal is designed to prevent fraudulent and manipulative acts and practices? What are commenters’ views generally with respect to the liquidity and transparency of the bitcoin markets, the bitcoin markets’ susceptibility to manipulation, and thus the suitability of bitcoin as an underlying asset for an exchange-traded product?

2. What are commenters’ views of the Exchange’s assertion that the bitcoin ecosystem has matured considerably since the last time the Commission reviewed a proposal for a bitcoin exchange-traded product?²¹ Are the changes that the Exchange identifies sufficient to support the determination that the proposed listing and trading of the Shares is consistent with the Act?

3. The Exchange states that the design choices within the methodology and framework of the Index are sufficiently resistant to market manipulation and that, to date, there has been no evidence that the Index has been subject to manipulation.²² What are commenters’ views on these assertions regarding the Index, including the relevance of such assertions in determining whether the proposed listing and trading of the Shares is consistent with the Act?

4. The Exchange states that the Chicago Mercantile Exchange (“CME”) participates in the oversight committee of the Index.²³ The Exchange further states that the Constituent Bitcoin Exchanges “(1) must enter into a data sharing agreement with the CME, (2) must cooperate with inquiries and investigations of regulators and the Benchmark Administrator and (3) must submit each of its clients to its Know-Your-Customer (“KYC”) procedures; therefore, the CME would be able, in the case of any suspicious trades, to discover all material trade information including the identities of the customers placing the trades.”²⁴ What are commenters’ views on these assertions regarding the Index, including the relevance of such assertions in determining whether the proposed listing and trading of the Shares is consistent with the Act?

5. The Exchange states that the “proposed rule change is designed to

prevent fraudulent and manipulative acts and practices because, although the global Bitcoin market is not inherently resistant to fraud and manipulation, the Index used by the Trust to determine the value of its bitcoin assets and its NAV, serves as a benchmark mechanism sufficient to mitigate the impact of instances of fraud and manipulation on a reference price for Bitcoin.”²⁵ The Exchange further states that “use of the Index would mitigate the effects of potential manipulation of the bitcoin market.”²⁶ What are commenters’ views regarding such assertions?

III. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposal is consistent with Section 6(b)(5) or any other provision of the Act, and the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b–4, any request for an opportunity to make an oral presentation.²⁷

Interested persons are invited to submit written data, views, and arguments regarding whether the proposal should be approved or disapproved by September 3, 2021. Any person who wishes to file a rebuttal to any other person’s submission must file that rebuttal by September 17, 2021.

Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–92614; No. SR–NYSEArca–2021–69]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify the NYSE Arca Options Fee Schedule

August 9, 2021.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the “Act”) ² and Rule 19b–4 thereunder, ³ notice is hereby given that, on August 4, 2021, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the NYSE Arca Options Fee Schedule (“Fee Schedule”). The Exchange proposes to implement the fee change effective August 4, 2021. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend the Fee Schedule to remove language associated with a fee waiver and a credit that expired at the close of business on June 30, 2021.

On March 18, 2020, the Exchange announced that it would temporarily close the Trading Floor, effective March 23, 2020, as a precautionary measure to prevent the potential spread of COVID–19. Following the temporary closure of the Trading Floor, the Exchange waived certain Floor-based fixed fees for April and May 2020.⁴ Although the Trading Floor partially reopened on May 4, 2020 and Floor-based open outcry activity was supported, certain participants were unable to resume pre-Floor closure levels of operations. As a result, the Exchange extended the fee waiver through June 2021, but only for Floor Broker firms that were unable to operate at more than 50% of their March 2020 on-Floor staffing levels and for Market Maker firms that had vacant or “unmanned” Podia for the entire month due to COVID–19 related considerations (the “Qualifying Firms”).⁵

Because the Trading Floor continued to operate with reduced capacity, the Exchange extended the fee waiver for Qualifying Firms through “the earlier of the first full month of a full reopening of the Trading Floor facilities to Floor personnel or June 2021”. The Trading Floor re-opened without social distancing requirements for vaccinated personnel on May 12, 2021.

Additionally, in May 2021, the Exchange implemented an incentive to encourage Floor Brokers to increase their Professional Customer billable volume.⁶ Specifically, the Exchange offered Floor Brokers a credit of \$0.13 per contract for each billable
