II. Contractor Requirements

Under this contract number, the contractor will perform the following: The Contractor shall perform any IRM-related work under this contract in accordance with the IRM policies, standards, and procedures set forth on the Office of Environmental Information policy website. Upon receipt of a work request (*i.e.*, delivery order, task order, or work assignment), the Contractor shall check this listing of directives. The applicable directives for performance of the work request are those in effect on the date of issuance of the work request. The 2100 Series (2100–2199) of the EPA's Directive System contains the majority of the EPA's IRM policies, standards, and procedures.

These contracts involve no subcontractors.

OPP has determined that the contracts described in this document involve work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under FIFRA sections 3, 4, 6, and 7 and under FFDCA sections 408 and 409.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contracts with Industrial Economics, Inc., prohibits use of the information for any purpose not specified in these contracts; prohibits disclosure of the information to a third party without prior written approval from the EPA; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Industrial Economics, Inc., is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No

information will be provided to Industrial Economics, Inc., until the requirements in this document have been fully satisfied. Records of information provided to Industrial Economics, Inc., will be maintained by EPA Contracting Officer's Representatives for these contracts. All information supplied to Industrial Economics, Inc., by EPA for use in connection with these contracts will be returned to EPA when Industrial Economics, Inc., has completed its work.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–XXXX; FR ID 145485]

Information Collection Being Submitted for Review and Approval to Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.” The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments and recommendations for the proposed information collection should be submitted on or before July 7, 2023.
