⁸ These estimates are based on the following calculations: (0.75 hours × 775 portfolios = 581 burden hours); (\$379 per hour × 581 hours = \$220,199 total cost). The Commission's estimates concerning the wage rates for attorney time are based on salary information for the securities industry compiled by the Securities Industry and Financial Markets Association. The estimated wage figure is based on published rates for in-house attorneys, modified to account for an 1,800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits, and overhead, yielding an effective hourly rate of \$379. Rule 17a-22 SEC File No. 270-202, OMB Control No. 3235-0196.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for in Rule 17a-22 (17 CFR. 240.17a-22) under the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17a-22 requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with whom they have a significant relationship. The filings with the Commission must be made within ten days after the materials are issued or made generally available. When the Commission is not the clearing agency's appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency.

The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine whether a clearing agency is implementing procedural or policy changes. The information filed aids the Commission in determining whether such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 are registered clearing agencies. The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies but on average there are approximately 200 filings per year per active clearing agency. There are seven active registered clearing agencies. The Commission staff estimates that each response requires approximately .25

hours (fifteen minutes), which represents the time it takes for a staff person at the clearing agency to properly identify a document subject to the rule, print and makes copies, and mail that document to the Commission. Thus, the total annual burden for all active clearing agencies is 350 hours (7 clearing agencies multiplied by 200 filings per clearing agency multiplied by .25 hours) and a total of 50 hours (1400 responses multiplied by .25 hours, divided by 7 active clearing agencies) per year are expended by each respondent to comply with the rule.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Form ABS-15G, OMB Control No. 3235-0675, SEC File No. 270-620.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form ABS-15G (17 CFR 249.1300) is used for reports of information required under Rule 15Ga-1 (17 CFR 240.15Ga-1) of the Exchange Act of 1934 ("Exchange Act"). Exchange Act Rule 15Ga-1 requires asset-backed securitizers to provide disclosure regarding fulfilled and unfulfilled repurchase requests with respect to asset-backed securities. The purpose of the information collected on Form ABS-15G is to implement the disclosure requirements of Section 943 of the Dodd-Frank Wall Street Reform and Consumer Protection Act to provide information regarding the use of representations and warranties in the asset-backed securities markets. We estimate that approximately 810 securitizers will file Form ABS-15G annually at estimated 311.223 burden hours per response. In addition, we estimate that 75% of the 311.223 hours per response (233.417 hours) is carried internally by the securitizers for a total annual reporting burden of 189,068 hours (233.417 hours per response × 810 responses).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-71213; File No. SR-ISE-2013-70]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Schedule of Fees

December 31, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 23, 2013, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to amend its Schedule of Fees to waive CMM membership application fees for affiliated CMMs, and to charge an incremental annual regulatory fee for such CMMs. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has

prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to waive Competitive Market Maker ("CMM") membership application fees for affiliated CMMs, *i.e.*, CMMs that share common ownership with another CMM, and to charge an incremental annual regulatory fee for such CMMs. The Exchange believes that these changes, which will lower the cost of maintaining separate CMM memberships for affiliated CMMs, will encourage current CMMs to register additional broker dealer entities as necessary to act as Alternative Primary Market Makers ("Alternative PMMs") on the ISE.

The Exchange currently operates an Alternative PMM program whereby the ISE appoints CMMs that meet certain qualifications to serve as Alternative PMMs for options products that have not been allocated to a willing PMM.³ The purpose of this program is to enable the Exchange to list new products, or continue trading listed products, that are not supported by a PMM, by offering such allocations to appropriately qualified CMMs that will have all of the responsibilities and privileges of a PMM under ISE Rules with respect to appointed options classes. Each broker dealer entity acting as an Alternative PMM, however, must be registered as a CMM on the ISE. Due to capital and other business requirements a CMM may need to house their Alternative PMM appointments in a separate affiliated broker dealer entity, which would be required to maintain a separate CMM membership on the ISE.

Currently, since these affiliated entities operate as distinct members these firms must pay a one-time CMM application fee of \$5,500 for each entity. As the incremental cost associated with processing an affiliate's membership application is negligible, and given the significant benefits of attracting CMMs willing to quote unallocated options classes as Alternative PMMs, the Exchange is proposing to waive the application fee for CMM applicants that share at least 75% common ownership with another CMM as reflected on each

³ See Exchange Act Release No. 59250 (January 14, 2009), 74 FR 4062 (January 22, 2009) (ISE-2008-90). PMM allocations are voluntary and require the consent of the PMM being allocated the options class. See ISE Rule 802.
