

measure will be used by the Department to evaluate the success of the GPA long-term program: The percentage of GPA long-term project participants who increased their reading, writing, and/or listening/speaking foreign language scores by one proficiency level. The efficiency of the GPA short-term program and the GPA long-term program will be measured by considering the cost per GPA participant who increased his/her foreign language score in reading, writing, and/or listening/speaking by at least one proficiency level.

The information provided by grantees in their performance reports submitted via IRIS will be the source of data for this measure. Reporting screens for institutions can be viewed at:
