

credential using *Login.gov* or *ID.me*. Once they complete credentialing, customers access ESS to complete required screens and fields to select a date and time for an appointment with an SSA field office (FO) to provide the proofs necessary to obtain a replacement or original SSN card or complete a PE action. Upon completing the required screens and fields, the system presents customers with a screen to review and submit all of the data they input regarding the requested appointment. If the customer enters everything accurately, the system allows the customer to confirm their information and schedules their appointment.

If customers encounter issues with ESS, or they need to request an appointment type which requires technician assistance (*e.g.*, scheduling, rescheduling, or cancelling PE or initial

claims appointments), they may contact SSA by phone to have an FO or Telephone Service Center (TSC) technician schedule their appointment. Technicians follow existing processes and policies to identify the caller as a legitimate customer, and converse with the customer to determine the nature of their business and if they require an appointment. If the technician determines the customer needs an appointment, the technician accesses ESS and completes the required screens and fields for the enumeration or PE appointment, or NASC for an initial claim appointment. Once the technician completes the ESS or NASC screens, the technician can review all of the information the customer provided with the customer. If the customer indicates it is correct the technician submits and schedules the appointment.

We conduct this information collection each time a customer accesses the online tool or contacts SSA by phone to schedule an appointment. The respondents are individuals looking to schedule their SSA visit, either through self-scheduling or technician assisted modalities, using ESS and NASC.

*This is a Correction Notice:* SSA needed to update the burden information for this collection from the information we published at 90 FR 21817, on 5/21/25, which, inadvertently, did not include the burden for the initial claims scheduling. We are correcting the burden information here.

*Type of Request:* Request for a revision of an OMB-approved information collection.

\* We based this figure by averaging both the average DI payments based on SSA's current FY 2025 data (<https://www.ssa.gov/legislation/2024FactSheet.pdf>), and the average U.S. worker's hourly wages, as reported by Bureau of Labor Statistics data (Occupational Employment and Wage Statistics).

\*\* We based this figure by averaging the average FY 2025 wait times for field offices (23 minutes) and teleservice centers (180 minutes), based on SSA's current management information data. This figure reflects the data posted on our public facing website (800 number performance | SSA) on the date we drafted this notice. As the figures fluctuate daily, the wait times may be different on the publication date of this notice.

\*\*\* This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

**OFFICE OF THE UNITED STATES  
TRADE REPRESENTATIVE**

**Status of Algeria Under the Tariff Act  
of 1930, as Amended**

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice.

**SUMMARY:** For purposes of the Tariff Act of 1930, as amended (Act), the U.S. Trade Representative has determined that Algeria is not a “Subsidies Agreement country”.

**DATES:** This determination is applicable on July 15, 2025.

**FOR FURTHER INFORMATION CONTACT:**

Michael Gagain, Senior Associate General Counsel, 202.395.9529, [Michael.T.Gagain@ustr.eop.gov](mailto:Michael.T.Gagain@ustr.eop.gov).

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The U.S. International Trade Commission (Commission) is conducting a countervailing duty investigation on steel concrete reinforcing bar from Algeria. With respect to that investigation, the Commission on June 13, 2025, asked the U.S. Trade Representative to advise whether Algeria qualifies as a “Subsidies Agreement country” within the meaning of Section 701(b) of the Act, for purposes of Section 701(c) (19 U.S.C. 1671(b)–(c)). Under Section 1–103(b) of Executive Order 12188 of January 2, 1980, the President delegated the functions under section 2(b) of the Trade Agreements Act of 1979 and Section 701(b) of the Act to the U.S. Trade Representative, who exercises this delegated authority with the advice of the Trade Policy Committee.

**II. Determination**

The U.S. Trade Representative, in conformance with Section 2(b) of the Trade Agreements Act of 1979 and Section 701(b) of the Act, and Section 1–103(b) of Executive Order 12188, and after seeking the advice of the Trade Policy Committee, has determined that:

1. Pursuant to section 701(b)(1) of the Act, Algeria is not a World Trade Organization Member country;
2. Pursuant to section 701(b)(2) of the Act, Algeria has not assumed any obligations with respect to the United States that are substantially equivalent to the obligations under the World Trade Organization Agreement on Subsidies and Countervailing Measures; and

3. Pursuant to section 701(b)(3) of the Act, there is no agreement in effect between the United States and Algeria that was in force on the date of the enactment of the Uruguay Round Agreements Act, which requires unconditional most-favored-nation treatment with respect to articles imported into the United States, and which does not expressly permit either:

- (i) actions required or permitted by the GATT 1947 or GATT 1994, as defined in Section 2(1) of the Uruguay Round Agreements Act, or required by the Congress; or
- (ii) nondiscriminatory prohibitions or restrictions on importation which are designed to prevent deceptive or unfair practices.

Therefore, Algeria is not a “Subsidies Agreement country” within the meaning of section 701(b) of the Act.
