

questions concerning this proposed action and the EIS should be directed to the LA DOTD at the address above. Letters describing the proposed action and soliciting comments have been sent to the appropriate Federal, State and local agencies, Native American tribes and to private organizations who have previously expressed or who are known to have an interest in this proposal. Federal agencies with jurisdiction by law or special expertise with respect to potential environmental issues will be requested to act as a Cooperating Agency in accordance with 40 CFR 1501.6.

LA DOTD will lead the outreach activities, beginning with the scoping meetings identified under **DATES** above. Public involvement initiatives, including public meetings, newsletters, and outreach to engage low-, minority-, and other environmentally-disadvantaged groups will be held throughout the course of this study. Opportunities for public participation will be announced through mailings, notices, advertisements, press releases and a project Web site: http://www.dotd.la.gov/administration/public_info/projects/NORG/.

Two public hearings on the Draft EIS will be held following its issuance. Public notice will be given, in local newspapers, of the time and place of the meetings and hearings. The Draft EIS will be available for public and agency review prior to the public hearings.

Issued in Washington, DC, on January 10, 2012.

Paul Nissenbaum,

Associate Administrator for Railroad Policy and Development, Federal Railroad Administration.

DEPARTMENT OF TRANSPORTATION

Pipeline and Hazardous Materials Safety Administration

Notice of Applications for Modification of Special Permit

AGENCY: Office of Hazardous Materials Safety, Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: List of applications for modification of special permits.

SUMMARY: In accordance with the procedures governing the application for, and the processing of, special permits from the Department of Transportation's Hazardous Material Regulations (49 CFR Part 107, Subpart B), notice is hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier **Federal Register** publications, they are not repeated here. Requests for

modification of special permits (e.g., to provide for additional hazardous materials, packaging design changes, additional mode of transportation, etc.) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new application for special permits to facilitate processing.

DATES: Comments must be received on or before January 30, 2012.

Address Comments to: Record Center, Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, Washington, DC, 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the special permit number.

FOR FURTHER INFORMATION CONTACT:

Copies of the applications are available for inspection in the Records Center, East Building, PHH-30, 1200 New Jersey Avenue SE., Washington, DC, or at <http://regulations.gov>.

This notice of receipt of applications for modification of special permit is published in accordance with Part 107 of the Federal hazardous materials transportation law (49 U.S.C. 5117(b); 49 CFR 1.53(b)).

Issued in Washington, DC, on January 6, 2012.
