On August 6, 2001, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change that would amend CHX Article XX, Rule 37(b)(6) to require that a limit order be resident in the specialist's book for a time period of 0-15 seconds (as designated by the specialist) before it would be eligible for trade through protection.

The proposed rule change was published for comment in the **Federal Register** on December 5, 2001.³ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities

exchange⁴ and, in particular, the requirements of section 6 of the Act⁵ and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change is consistent with Section 6(b)(5) of the Act⁶ in that it designed to promote just and equitable principles of trade, to remove impediments to, and to perfect the mechanism of a free and open market and a national market system, and in general to protect investors and the public interest.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁷ that the proposed rule change (File No. SR-CHX-2001-17) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸
