Proposed Project: The Nursing Education Loan Repayment Program Application (OMB No. 0915-0140)—Extension

This is a request for extension of the application form for the Nursing Education Loan Repayment Program (NELRP). The NELRP was originally authorized by 42 USC 297b(h) (section 836 (h) of the Public Health Service Act) as amended by Public Law 100-607, November 4, 1988. The NELRP is currently authorized by 42 USC 297(n) (section 846 of the Public Health Service Act) as amended by Public Law 102-408, October 13, 1992.

Under the NELRP, registered nurses are offered the opportunity to enter into a contractual agreement with the Secretary, under which the Public Health Service agrees to repay the nurses' indebtedness for nursing education. In exchange, the nurses agree to serve for a specified period of time in certain types of health facilities identified in the statute.

Nurse educational loan repayment contracts will be approved by the Secretary for eligible nurses who have incurred previous monetary indebtedness by accepting a loan for nursing education costs from a bank, credit union, savings and loan association, Government agency or program, school, or other lender that meets NELRP criteria.

Approval is requested for the application form. The application form requires information from two types of respondents:

a. Applicants must provide information on the proposed service site and on all nursing education loans for which reimbursement is requested, and

b. For those applicants accepted into the NELRP, lenders must provide information on loan status for all loans accepted for repayment.

Estimates of Annualized Hour Burden: The application form is not being changed, therefore it will not have significant impact on the time required to complete the form. Burden estimates are as follows:

Form/regulatory requirement	Number of respondents	Responses per respondents	Hours per response	Total burden hours
NELRP Application	1,000	1	1.5	1,500
Loan Verification Form	¹ 200	1	2.5	500
Total	1,200			2,000

¹ The remainder of the loans are verified through credit reports.

OMB Control Number: 1084-NEW (replaces OMB No. 1006-0009).

Abstract: Public Law 88-459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Quarters (GFQ) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, PAM conducts housing surveys in support of quarters management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Defense, Justice, Transportation, Treasury, Health and Human Services, and Veterans Affairs.
