

of sale (i.e., MTF, network pharmacy, non-network pharmacy, mail service pharmacy) from which they are acquired. For this purpose, a generic drug is a non-brand name drug. A non-generic drug is a brand name drug. In the case of a brand name drug for which there is no generic equivalent, the non-generic cost share applies.

(1) *Military treatment facilities.* There are no cost sharing requirements for drugs and medicines provided by MTF pharmacies.

(2) *Retail pharmacy network program.* There is a \$9.00 co-pay per prescription required under the retail pharmacy network program for up to a 30-day supply of a non-generic drug or medicine, and a \$3.00 co-pay for up to a 30-day supply of a generic drug or medicine. There is no annual deductible for drugs and medicines provided under the retail pharmacy network program.

(3) *Mail service pharmacy program.* There is a \$9.00 co-pay per prescription required under the mail service pharmacy program for up to a 90-day supply of a non-generic drug or medicine, and a \$3.00 co-pay for up to a 90-day supply of a generic drug or medicine. There is no annual deductible for drugs and medicines provided under the mail service pharmacy program.

(4) *Non-network retail pharmacies.* There is a 20 percent or \$9.00 (whichever is greater) co-pay per prescription required for up to a 30-day supply of a drug obtained from a non-network pharmacy. A point of service cost-share of 50 percent applies in lieu of the 20 percent copay for TRICARE Prime enrollees who obtain their prescriptions from a non-network retail pharmacy without proper authorization. In addition, these TRICARE Prime enrollees are subject to higher deductibles as provided in § 199.17(m)(1)(i) and (m)(2)(i). For prescription drugs acquired from non-network retail pharmacies, beneficiaries other than Prime enrollees (including TRICARE Senior Pharmacy Program beneficiaries) are subject to the \$150.00 per individual or \$300.00 maximum per family (or for dependents of sponsors in pay grades below E-5, \$50 per individual or \$100 per family) annual fiscal year deductible.

(g) *Effect of other health insurance.* The double coverage rules of § 199.8 are applicable to services provided under the Pharmacy Benefits Program. For this purpose, to the extent they provide a prescription drug benefit, Medicare supplemental insurance plans or Medicare HMO plans are double coverage plans and will be the primary payor.

(h) *Procedures.* The Director, TRICARE Management Activity shall establish procedures for the effective operation of the Pharmacy Benefit Program. Such procedures may include restrictions of the quantity of pharmaceuticals to be included under the benefit, encouragement or requirement of the use of generic drugs, implementation of quality assurance and utilization management activities, and other appropriate matters.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

RIN 2900-AJ23

Information Collection Needed in VA's Flight-Training Programs

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: We are amending our educational assistance and educational benefit regulations concerning flight-training courses for which the Department of Veterans Affairs (VA) pays eligible students. In this regard, we are requiring that flight schools offering such flight-training courses maintain records regarding students to whom VA makes payments. This rule is intended to provide information to VA for determining compliance with requirements for VA payments to students for pursuing flight-training courses. Also, when VA, rather than a separate State entity, is the approving agency, this rule is intended to provide information to VA for determining whether to approve a flight-training course.

EFFECTIVE DATE: *Effective date:* This final rule is effective March 19, 2002.

FOR FURTHER INFORMATION CONTACT:

William G. Susling, Jr., Assistant Director for Policy and Program Development, Education Service, Veterans Benefits Administration, 202-273-7187.

SUPPLEMENTARY INFORMATION: In a document published in the **Federal Register** on April 3, 2000 (65 FR 17477), we proposed to amend VA's educational assistance and educational benefit regulations concerning flight-training courses for which VA makes payments.

In this regard, we proposed to add 38 CFR 21.4263(h)(3) to provide that flight schools offering approved flight-training courses must maintain records as set out in the text portion of the document. We also proposed to amend VA's educational assistance and educational benefit regulations by making technical changes for purposes of clarification.

Comments were sought during a 60-day period. Only one comment was received and it was highly supportive of the proposed rule. Based on the rationale set forth in the proposed rule and in this document, we are adopting the provisions of the proposed rule as a final rule except that we are making non-substantive changes for purposes of clarity and are adding a statement following § 21.4263 to reflect the approval by the Office of Management and Budget (MB) of the collection of information requirements contained in this rule.

Paperwork Reduction Act

OMB has approved under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) the information collection requirements contained in this rule (in 38 CFR 21.4263(h)(3)) and has assigned them OMB control number 2900-0613.

OMB assigns control numbers to collections of information it approves. VA may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The valid OMB control number assigned to the collection of information requirements in this rule is displayed at the end of the affected section of the regulations.

Regulatory Flexibility Act

The Secretary of Veterans Affairs hereby certifies that this rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. This rule will have a minuscule monetary effect if any, on affected entities. Pursuant to 5 U.S.C. 605(b), this rule, therefore, is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before developing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any given year.

This rule will have no consequential effect on State, local or tribal governments.

Catalog of Federal Domestic Assistance

the Catalog of Federal Domestic Assistance numbers for programs affected by this rule are 64.120 and 64.124. This rule also affects the Montgomery GI Bill—Selected Reserve program, which has no Catalog of Federal Domestic Assistance number.
