[Docket No.: PTO–T–2019–0028]

Trademark Public Advisory Committee Public Hearing on the Proposed Trademark Fee Schedule

AGENCY: United States Patent and Trademark Office, Commerce.

ACTION: Notice of public hearing.

SUMMARY: Under Section 10 of the America Invents Act (AIA), the United States Patent and Trademark Office (USPTO) may set or adjust by rule any

patent or trademark fee established, authorized, or charged under Title 35 of the United States Code or the Trademark Act of 1946, respectively. The USPTO currently is planning to set or adjust trademark fees pursuant to its Section 10 fee setting authority. As part of the rulemaking process to set or adjust trademark fees, the Trademark Public Advisory Committee (TPAC) is required under Section 10 of the AIA to hold a public hearing about any proposed trademark fees, and the USPTO is required to assist TPAC in carrying out that hearing. To that end, the USPTO will make its proposed trademark fees available as set forth in the **SUPPLEMENTARY INFORMATION** section of this Notice before any TPAC hearing and will help the TPAC to notify the public about the hearing. Accordingly, this document announces the dates and logistics for the TPAC public hearing regarding USPTO proposed trademark fees. Interested members of the public are invited to testify at the hearing and/or submit written comments about the proposed trademark fees.

DATES:

Public hearing: September 23, 2019.

Comments: For those wishing to submit written comments on the fee proposal that will be published on or about September 9, 2019, but not requesting an opportunity to testify at the public hearing, the deadline for receipt of those written comments is September 30, 2019.

Oral testimony: Individuals wishing to present oral testimony at the hearing must request an opportunity to do so in writing no later than September 16, 2019. Those individuals who are scheduled by the TPAC to present oral testimony at the hearing should submit a written copy of their testimony for inclusion in the record of the proceedings no later than September 30, 2019.

ADDRESSES:

Public hearing: The TPAC will hold a public hearing on September 23, 2019 beginning at 2:00 p.m., Eastern Standard Time (EST), and ending at 4:00 p.m., EST, at the USPTO, Clara Barton Auditorium South, Concourse Level, Madison Building, 600 Dulany Street, Alexandria, Virginia 22314.

Email: Written comments should be sent by email addressed to TMFRNotices@uspto.gov.

Postal mail: Comments may also be submitted by postal mail addressed to: Commissioner for Trademarks, P.O. Box 1451, Alexandria, VA 22313–1451, attention Catherine Cain. Although comments may be submitted by postal mail, the USPTO prefers to receive

comments via email. Written comments should be identified in the subject line of the email or postal mailing as “Fee Setting.” Because comments will be made available for public inspection, information that is not desired to be made public, such as an address or telephone number should not be included in the comments.

Web cast: The public hearing will be available via Web cast. Information about the Web cast will be posted on the USPTO's internet website (address: www.uspto.gov/about-us/performance-and-planning/fee-setting-and-adjusting) before the public hearing.

Transcripts: Transcript of the hearing will be available on the USPTO internet website (address: www.uspto.gov/about-us/performance-and-planning/fee-setting-and-adjusting) shortly after the hearing.

FOR FURTHER INFORMATION CONTACT:

Catherine Cain, Office of the Deputy Commissioner for Trademark Examination Policy, at 571–272–8946, or by email at catherine.cain@uspto.gov.

SUPPLEMENTARY INFORMATION: Effective September 16, 2011, with the passage of the AIA, the USPTO is authorized under Section 10 of the AIA to set or adjust by rule all patent and trademark fees established, authorized, or charged under Title 35 of the United States Code and the Trademark Act of 1946, respectively. This authority was extended an additional 8 years by the Study of Underrepresented Classes Chasing Engineering and Science Success (SUCCESS) Act of 2018 (Pub. L. 115–273). Patent and trademark fees set or adjusted by rule under Section 10 of the AIA may only recover the aggregate estimated costs to the Office for processing, activities, services, and materials relating to patents and trademarks, respectively, including administrative costs of the Office with respect to each as the case may be. This proposal represents the third iteration of trademark fee setting by the USPTO to set fees under the authority of the AIA. The first AIA trademark fee-setting rule, which reduced certain trademark fees, was implemented in January 2015, and the second was implemented in January 2017.

Congress set forth the process for the USPTO to follow in setting or adjusting patent and trademark fees by rule under Section 10 of the AIA. Congress requires the relevant advisory committee to hold a public hearing about the USPTO fee proposals after receiving them from the agency. Congress likewise requires the relevant advisory committee to prepare a written report on the proposed fees and the USPTO to consider the relevant
