SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Solicitation for Applications for Medicare Prescription Drug Plan 2023 Contracts; *Use:* Coverage for the prescription drug benefit is provided through contracted prescription drug plans (PDPs) or through Medicare Advantage (MA) plans that offer integrated prescription drug and health care coverage (MA-PD plans). Cost Plans that are regulated under Section 1876 of the Social Security Act, and Employer Group Waiver Plans (EGWP) may also provide a Part D benefit. Organizations wishing to provide services under the Prescription Drug Benefit Program must complete an application, negotiate rates, and receive final approval from CMS. Existing Part D Sponsors may also expand their contracted service area by completing the Service Area Expansion (SAE) application.

Collection of this information is mandated in Part D of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) in Subpart 3. The application requirements

are codified in Subpart K of 42 CFR 423 entitled “*Application Procedures and Contracts with PDP Sponsors*.”

The information will be collected under the solicitation of proposals from PDP, MA–PD, Cost Plan, Program of All Inclusive Care for the Elderly (PACE), and EGWP applicants. The collected information will be used by CMS to: (1) Ensure that applicants meet CMS requirements for offering Part D plans (including network adequacy, contracting requirements, and compliance program requirements, as described in the application), (2) support the determination of contract awards. *Form Number:* CMS–10137 (OMB control number: 0938–0936); *Frequency:* Yearly; *Affected Public:* Businesses or other for-profits, Not-for-profit institutions; *Number of Respondents:* 716; *Total Annual Responses:* 382; *Total Annual Hours:* 1,716. (For policy questions regarding this collection contact Arianne Spaccarelli at 410–786–5715.)

2. Type of Information Collection
Request: Revision of a currently approved collection; *Title of Information Collection:* Medicare Prescription Drug Benefit Program; *Use:* Plan sponsor and State information is used by CMS to approve contract applications, monitor compliance with contract requirements, make proper payment to plans, and ensure that correct information is disclosed to potential and current enrollees. *Form Number:* CMS–10141 (OMB control number: 0938–0964); *Frequency:* Once; *Affected Public:* Private sector (Business or other for-profit and Not-for-profit institutions); *Number of Respondents:* 11,771,497; *Total Annual Responses:* 675,231,213; *Total Annual Hours:* 9,312,314. (For policy questions regarding this collection contact Maureen Connors at 410–786–4132.)

3. Type of Information Collection
Request: Extension of a currently approved collection; *Title of Information Collection:* Non-Quantitative Treatment Limitation Analyses and Compliance Under MHPAEA; *Use:* The Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (MHPAEA) (Pub. L. 110–343) generally requires that group health plans and group health insurance issuers offering mental health or substance use disorder (MH/SUD) benefits in addition to medical and surgical (med/surg) benefits do not apply any more restrictive financial requirements (e.g., co-pays, deductibles) and/or treatment limitations (e.g., visit limits, prior authorizations) to MH/SUD benefits than those requirements and/or

limitations applied to substantially all med/surg benefits. The Patient Protection and Affordable Care Act, Public Law 111–148, was enacted on March 23, 2010, and the Health Care and Education Reconciliation Act of 2010, Public Law 111–152, was enacted on March 30, 2010. These statutes are collectively known as the “Affordable Care Act.” The Affordable Care Act extended MHPAEA to apply to the individual health insurance market. MHPAEA does not apply directly to small group health plans, although its requirements are applied indirectly in connection with the Affordable Care Act’s essential health benefit requirements. The Consolidated Appropriations Act, 2021 (the Appropriations Act) was enacted on December 27, 2020. The Appropriations Act amended MHPAEA, in part, by expressly requiring group health plans and health insurance issuers offering group or individual health insurance coverage that offer both med/surg benefits and MH/SUD benefits and that impose non-quantitative treatment limitations (NQTLs) on MH/SUD benefits to perform and document their comparative analyses of the design and application of NQTLs. Further, beginning 45 days after the date of enactment of the Appropriations Act, group health plans and health insurance issuers offering group or individual health insurance coverage must make their comparative analyses available to the Departments of Labor, Health and Human Services (HHS), and the Treasury or applicable state authorities, upon request. The Secretary of HHS is required to request the comparative analyses for plans that involve potential violations of MHPAEA or complaints regarding noncompliance with MHPAEA that concern NQTLs and any other instances in which the Secretary determines appropriate. The Appropriations Act also requires the Secretary of HHS to submit to Congress, and make publicly available, an annual report on the conclusions of the reviews. *Form Number:* CMS–10773 (OMB control number: 0938–1393); *Frequency:* On Occasion; *Affected Public:* State, Local, or Tribal Governments, Private Sector; *Number of Respondents:* 250,137; *Total Annual Responses:* 36,461; *Total Annual Hours:* 1,013,184. (For policy questions regarding this collection, contact Usree Bandyopadhyay at 410–786–6650.)

4. Type of Information Collection
Request: Revision of a currently approved collection; *Title of Information Collection:* Exchange Functions: Standards for Navigators and

Non-Navigator Assistance Personnel–CAC; *Use:* Section 1321(a)(1) of the Affordable Care Act directs and authorizes the Secretary to issue regulations setting standards for meeting the requirements under title I of the Affordable Care Act, with respect to, among other things, the establishment and operation of Exchanges. Pursuant to this authority, regulations establishing the certified application counselor program have been finalized at 45 CFR 155.225. In accordance with 155.225(d)(1) and (7), certified application counselors in all Exchanges are required to be initially certified and recertified on at least an annual basis and successfully complete Exchange required training. *Form Number:* CMS–10494 (OMB control number: 0938–1205); *Frequency:* On Occasion; *Affected Public:* State, Local, or Tribal Governments, Private Sector (not-for-profit institutions); individuals or households; *Number of Respondents:* 278,072; *Total Annual Responses:* 278,072; *Total Annual Hours:* 918,024. (For policy questions regarding this collection contact Evonne Muoneke at 301–492–4402.)

Dated: October 21, 2021.
