BILLING CODE 8025-01-P

SMALL BUSINESS ADMINISTRATION**Small Business Size Standards: Waiver of the Nonmanufacturer Rule**

AGENCY: U.S. Small Business Administration.

ACTION: Notice of intent to Waive the Nonmanufacturer Rule for Paper Products Manufacturing.

SUMMARY: The U.S. Small Business Administration (SBA) is considering granting a request for a waiver of the Nonmanufacturer Rule for Paper Products Manufacturing. This U.S. industry comprises establishments primarily engaged in manufacturing paper (except new spring and uncoated groundwood paper) from pulp. These establishments may also convert the paper they make. According to the request, no small business manufacturers supply this class of product to the Federal government. If granted, the waiver would allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses; service-disabled veteran-owned small businesses or SBA's 8(a) Business Development Program.

DATES: Comments and source information must be submitted April 23, 2008.

ADDRESSES: You may submit comments and source information to Pamela M. McClam, Program Analyst, Small Business Administration, Office of Government Contracting, 409 3rd Street, SW., Suite 8800, Washington, DC 20416.

FOR FURTHER INFORMATION CONTACT: Pamela M. McClam, Program Analyst, by telephone at (202) 205-7408; by FAX at (202) 481-4783; or by e-mail at pamela.mcclam@sba.gov.

SUPPLEMENTARY INFORMATION: Section 8(a)(17) of the Small Business Act (Act), 15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses, service-disabled veteran-owned small businesses, or SBA's 8(a) Business Development Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. The SBA regulations imposing this requirement are found at 13 CFR 121.406(b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors

available to participate in the Federal market.

As implemented in SBA's regulations at 13 CFR 121.1202(c), in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months.

The SBA defines "class of products" based on a six digit coding system. The coding system is the Office of Management and Budget North American Industry Classification System (NAICS).

The SBA is currently processing a request to waive the Nonmanufacturer Rule for Paper Products Manufacturing, North American Industry Classification System (NAICS) code 322121 product number 8540.

The public is invited to comment or provide source information to SBA on the proposed waivers of the Nonmanufacturer Rule for this class of NAICS code within 15 days after date of publication in the **Federal Register**.

Arthur E. Collins, Jr.,

Director for Government Contracting.

SMALL BUSINESS ADMINISTRATION**Small Business Size Standards: Waiver of the Nonmanufacturer Rule**

AGENCY: U.S. Small Business Administration.

ACTION: Notice of Intent To Waive the Nonmanufacturer Rule for Safety Zone Rubber Gloves Manufacturing.

SUMMARY: The U.S. Small Business Administration (SBA) is considering granting a request for a waiver of the Nonmanufacturer Rule for Safety Zone Rubber Gloves Manufacturing. This U.S. industry comprises establishments primarily engaged in manufacturing surgical appliances and supplies. Examples of products made by these establishments are orthopedic devices, prosthetic appliances, surgical dressings, crutches, surgical sutures, personal industrial safety devices (except protective eyewear), hospital beds, and operating room tables. According to the request, no small business manufacturers supply this class of product to the Federal government. If granted, the waiver would allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses;
