

the *Amended Final Determination and Order*, the automatic liquidation instructions issued after the rescission of the third period of review with respect to Jilin, and the liquidation instructions issued pursuant to the first and second administrative reviews, were not in accordance with law, and ordered that any Jilin unliquidated entries of bulk aspirin be liquidated without regard to antidumping duties. See *Jilin Henghe*.

Timken Notice

In its decision in *Timken*, the Federal Circuit held that, pursuant to 516a(c)(1) and (e) of the Act, the Department must publish notice of a decision of the CIT which is not in harmony with the Department's determination. The CIT's decision in *Jilin Henghe* was not in harmony with the Department's *Amended Final Determination and Order*, *Amended First Review*, or *Amended Second Review*. Therefore, publication of this notice fulfills the statutory obligation.

Suspension of Liquidation

This notice will serve to continue the suspension of liquidation pending the expiration of the period to appeal the CIT's June 29, 2004, decision, or, if that decision is appealed, pending a final decision by the Federal Circuit. Because the CIT issued a temporary restraining order on April 27, 2004, which the CIT continued in a preliminary injunction, the Department will continue to suspend entries of bulk aspirin from the People's Republic of China that: (1) were produced and exported by Jilin, and imported by Jilin USA; (2) were entered or withdrawn from warehouse, for consumption, from July 6, 2000 through September 29, 2002; (3) were subject to the determinations in the *Amended First Review*, the *Amended Second Review*, and the *Amended Final Determination and Order*; and (4) remain unliquidated as of April 27, 2004. The Department will issue liquidation instructions covering these entries if the CIT's decision is not appealed, or if it is affirmed on appeal.

Dated: July 2, 2004.

Jeffrey A. May,

Acting Assistant Secretary for Import Administration.
