

for the NEG Port operations this activity. A Biological Opinion was issued on November 21, 2014, and concluded that the action may adversely affect but is not likely to jeopardize the continued existence of ESA-listed right, humpback, fin, and sei whales.

NMFS' Permits and Conservation Division has determined that the activities described in here are the same as those analyzed in the November 21, 2014, Biological Opinion. Therefore, a new consultation is not required for issuance of this IHA.

National Environmental Policy Act

MARAD and the USCG released a Final EIS/Environmental Impact Report (EIR) for the proposed NEG Port and Pipeline Lateral. NMFS was a cooperating agency (as defined by the Council on Environmental Quality (40 CFR 1501.6)) in the preparation of the Draft and Final EISs. NMFS reviewed the Final EIS and adopted it on May 4, 2007. NMFS issued a separate Record of Decision for issuance of authorizations pursuant to section 101(a)(5) of the MMPA for the construction and operation of the NEG Port Facility in Massachusetts Bay.

We have reviewed the NEG's application for a renewed IHA for ongoing activities for 2015–16 and the 2014–15 monitoring report. Based on that review, we have determined that the action is very similar to that considered in the previous IHA. In addition, no significant new circumstances or information relevant to environmental concerns have been identified. Thus, we have determined that the preparation of a new or supplemental NEPA document is not necessary.

Authorization

As a result of these determinations, NMFS has issued an IHA to Northeast Gateway and Algonquin for activities associated with Northeast Gateway's NEG Port and Algonquin's Pipeline Lateral operations and maintenance and repair activities in the Massachusetts Bay, which also includes the mitigation, monitoring, and reporting requirements described in this Notice.

Dated: December 28, 2016.

Donna Wieting,

*Director, Office of Protected Resources,
National Marine Fisheries Service.*

New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The New England Fishery Management Council (Council) is scheduling a public meeting of its Recreational Advisory Panel to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from this group will be brought to the full Council for formal consideration and action, if appropriate.

DATES: This meeting will be held on Wednesday, January 18, 2017, from 1:30 p.m. to 5:30 p.m.

ADDRESSES: The meeting will be held at the Hilton Garden Inn, 5 Park Street, Freeport, ME 04032; telephone: (207) 865–1433.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Thomas A. Nies, Executive Director, New England Fishery Management Council; telephone: (978) 465–0492.

SUPPLEMENTARY INFORMATION:

Agenda

The Recreational Advisory Panel plans to discuss Fishing Year (FY) 2017 Recreational Measures for Gulf of Maine cod and haddock. They will also receive an overview of recent recreational catch and effort data. The Panel will also discuss results from the bioeconomic model to evaluate options for management measures. They will make recommendations to the Groundfish Committee on FY 2017 recreational measures for Gulf of Maine cod and haddock. The Panel also plans to receive an overview and discuss the Council's 2017 Groundfish Priorities and make recommendations to the Groundfish Committee, as appropriate. Other business will be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice

that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: January 3, 2017.

Jeffrey N. Lonergan,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
