*Abstract:* The Early Childhood Longitudinal Study, Kindergarten Class of 2010–11 (ECLS–K:2011), sponsored by the National Center for Education Statistics (NCES) within the Institute of Education Sciences (IES) of the U.S. Department of Education (ED), is a survey that focuses on children's early school experiences beginning with kindergarten and continuing through the fifth grade. It includes the collection of data from parents, teachers, school administrators, and non-parental care providers, as well as direct child assessments. Like its sister study, the Early Childhood Longitudinal Study, Kindergarten Class of 1998–99 (ECLS–K), the ECLS–K:2011 is exceptionally broad in its scope and coverage of child development, early learning, and school progress, drawing together information from multiple sources to provide rich data about the population of children who were kindergartners in the 2010–11 school year. This submission requests OMB's clearance for (1) A spring 2013 second-grade national data collection; (2) recruitment for the spring 2014 third-grade data collection, and (3) tracking students for the spring 2014 third-grade and spring 2015 fourth-grade data collection.

*Title of Collection:* Electronic Debit Payment Option for Student Loans.

*OMB Control Number:* 1845–0025.

*Type of Review:* Revision.

*Total Estimated Number of Annual Responses:* 1,600.

*Total Estimated Number of Annual Burden Hours:* 133.

*Abstract:* An Electronic Debit Account Program gives the borrower the option to repay federally funded student loans via automatic debit deductions from their checking or savings accounts. The PDA payment option allows individuals with defaulted federal education debts (student loans or grant overpayments) held by the U.S. Department of Education's (ED's) Federal Student Aid Default Resolution Group to have their payments automatically debited from their checking or savings accounts and sent to ED. Individuals who choose the use the PDA option to make their payments must authorize ED to debit their bank accounts. The PDA Brochure and Application (PDA Application) explains the PDA payment option and collects the applicant's authorization for electronic debiting of payments and the bank account information needed by ED to debit the applicant's account.

The authority for the PDA option is provided under the Deficit Reduction Act of 1984, Public Law 98–368, and 31 CFR part 202, Depositories and Financial Agents of the Government. Operating rules and regulations approved and published by the National Automated Clearing House Association (NACHA) and 31 CFR part 210 also govern the use of the PDA Application. Finally, Regulation E, issued and maintained by the Board of Governors of the Federal Reserve System, implements Title IX of the Consumer Credit Protection Act, as amended in 15 U.S.C. 1601. This regulation is designed to implement the act, which primarily serves to protect the interests of the individual consumer participating in electronic transfers. ED has used the collection of information on the currently approved PDA Application to establish electronic debiting for individuals who have requested to have their defaulted federal education debt payments debited from their bank accounts.
