

(2) *Title of the Form/Collection:* Semi-Annual Progress Report for Grantees of the Legal Assistance for Victims Grant Program.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122–0007. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the approximately 200 grantees of the Legal Assistance for Victims Grant Program (LAV Program) whose eligibility is determined by statute. In 1998, Congress appropriated funding to provide civil legal assistance to domestic violence victims through a set-aside under the Grants to Combat Violence Against Women, Public Law 105–277. In the Violence Against Women Act of 2000 and again in 2005, Congress statutorily authorized the LAV Program. 42 U.S.C. 3796gg–6. The LAV Program is intended to increase the availability of legal assistance necessary to provide effective aid to victims of domestic violence, stalking, or sexual assault who are seeking relief in legal matters arising as a consequence of that abuse or violence. The LAV Program awards grants to law school legal clinics, legal aid or legal services programs, domestic violence victims' shelters, bar associations, sexual assault programs, private nonprofit entities, and Indian tribal governments. These grants are for providing direct legal services to victims of domestic violence, sexual assault, and stalking in matters arising from the abuse or violence and for providing enhanced training for lawyers representing these victims. The goal of the Program is to develop innovative, collaborative projects that provide quality representation to victims of domestic violence, sexual assault, and stalking.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will take the approximately 200 respondents (LAV Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities that grantees may engage in and the different types of grantees that receive funds. An LAV Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden

to complete the data collection forms is 400 hours, that is 200 grantees completing a form twice a year with an estimated completion time for the form being one hour.
