SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62478; File No. SR-FICC-2010-02]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing of Proposed Rule Change To Amend the Rules of the Government Securities Division and the Mortgage-Backed Securities Division To Change the Classification of U.S. Branches or Agencies of Non-U.S. Banks From Foreign to U.S. Members

July 9, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder² notice is hereby given that on June 24, 2010, Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by FICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The purpose of this proposed rule change is to amend the rules of FICC's Government Securities Division ("GSD") and the Mortgage-Backed Securities Division ("MBSD") to change the classification of U.S. branches or agencies of non-U.S. banks from "foreign" to "U.S. members".

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

FICC currently classifies as "foreign" its members that are U.S. branches or agencies of non-U.S. banks ("U.S. Branches"). FICC is proposing to amend the rules of the GSD and MBSD to classify such U.S. Branches as U.S. members, based particularly on the rationale that such U.S. Branches are regulated by U.S. and or state regulators. The proposed rule change harmonizes FICC's rules with those of its affiliates, The Depository Trust Company and National Securities Clearing Corporation, which presently classify U.S. branches of foreign banks as domestic members (based on domestic regulation).³

The proposed rule change reflects that the U.S. Branches are regulated by a U.S. regulator and/or state regulator so that an insolvency of such a member would be determined by applicable domestic "ring-fence" laws.⁴ The appropriate domestic regulator treats U.S. Branches as U.S. entities for most significant matters. Under the proposed rule changes, such members will be treated as domestic members for all purposes under FICC's rules and procedures, unless FICC states otherwise in the Rules.⁵

³ This is reflected in Section 2 of DTC's Policy Statements on the Admission of Participants, and Addendum O of NSCC's Rules entitled "Admission of Non-U.S. Entities as Direct NSCC Members".

⁴ In the United States, "ring-fencing" refers to the procedure for dealing with branches of agencies of insolvent foreign banks in the United States pursuant to which the state or federal regulator, as applicable, will seize and administer the local assets of an insolvent institution, with a preference for local creditors, in a liquidation that is separate from the liquidation of the parent foreign bank as a whole.

⁵ For example, if this Rule change is approved such members will no longer be required to submit annual updates to their foreign legal opinions unless FICC deems it necessary to address legal risk. Applicants in this category will, however, continue to be required to submit an initial foreign
