Background

On February 21, 2025, Commerce published in the **Federal Register** its *Preliminary Determination of Circumvention of the Antidumping Duty Order on MSG from China*.¹ In the *Preliminary Determination*, the importer and exporter certifications provided at Appendix II contained three errors. Commerce is hereby correcting the certifications at Appendix II to be in accordance with its preliminary decision. The corrected Appendix II is attached to this notice.

Correction

First, in the **Federal Register** of February 21, 2025, in FR Doc 2025–

02924 on page 10071, in the second column, correct Appendix II by replacing the entire text of section (J) of the importer certification as follows:

“I understand that {IMPORTING COMPANY} is required to submit a copy of the importer and exporter certifications as part of the entry summary by uploading them into the document imaging system (DIS) in ACE, and to provide U.S. Customs and Border Protection (CBP) and/or the U.S. Department of Commerce (Commerce) with the importer certification, and any supporting documentation, and a copy of the exporter's certification, and any supporting documentation provided to the importer by the exporter, upon request of either agency.”

Second, in the **Federal Register** of February 21, 2025, in FR Doc 2025–02924 on page 10071, in the third column, correct Appendix II by replacing the entire text of section (M) of the importer certification as follows:

“I understand that agents of the importer, such as brokers, are not permitted to make this certification. This certification was completed by the time of filing the entry summary or within 45 days of the date on which Commerce published notice of its preliminary circumvention findings in the **Federal Register**.”

Third, in the **Federal Register** of February 21, 2025, in FR Doc 2025–02924 on page 10072, in the first and second columns, correct Appendix II by replacing the entire text of section (L) of the exporter certification, as follows:

“This certification was completed at time of shipment or within 45 days of the date on which Commerce published notice of its preliminary circumvention findings in the **Federal Register**.”
