

November 30, 2004, with respect to Kunshan Foreign Trading Company, High Hope International Group Jiangsu Foodstuffs Import & Export Corp., Henan Native Produce Import & Export Corporation, Shanghai Xiuwei International Trading Co., Ltd., Shanghai Shinomi International Trade Corporation, Foodworld International Club, Ltd., and Inner Mongolia Youth Trade Development Co., Ltd.

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For those companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

Notification of Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751 and 777(i) of the Act and 19 CFR 351.213(d)(4).

Dated: March 22, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.

Magnesium Metal From the Russian Federation: Notice of Amended Final Determination of Sales at Less Than Fair Value

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 29, 2005.

FOR FURTHER INFORMATION CONTACT: Mark Hoadley or Kimberly Hunt, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4733 or (202) 482-1272.

Amendment to Final Determination

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended, (the Act), on February 24, 2005, the Department of Commerce (the Department) published its notice of final determination of sales at less-than-fair value (LTFV) in the investigation of magnesium metal from the Russian Federation. *See Magnesium Metal from the Russian Federation: Notice of Final Determination of Sales at Less Than Fair Value*, 70 FR 9041 (February 24, 2005) and accompanying Issues and Decision Memorandum, dated February 16, 2005. On March 1, 2005, JSC AVISMA Titanium-Magnesium Works (Avisma) and U.S. Magnesium Corporation, LLC, United Steelworkers of America, Local 8319, and Glass, Molders, Pottery, Plastics and Allied Workers International, Local 374 (collectively, petitioners) filed timely allegations stating that the Department made ministerial errors in the final determination. On March 7, 2005, petitioners and Alcoa, Inc. and Northwest Alloys, Inc. (collectively, Alcoa) filed comments on Avisma's allegations, and Avisma filed comments on petitioners' allegations.

After analyzing parties' comments, we have determined, in accordance with 19 CFR 351.224(e), that we made the following ministerial errors in our calculations performed for the final determination: (1) We used incorrect values for Avisma's international freight and U.S. brokerage and handling expenses; and (2) we incorrectly applied U.S. duties to certain U.S. sales by Avisma.

For a detailed discussion of the ministerial errors listed above, as well

as the Department's analysis, *see* Memorandum from Mark Hoadley, Senior Analyst, AD/CVD Operations, Office 6, to Maria MacKay, Program Manager, AD/CVD Operations, Office 6, concerning Magnesium Metal from the Russian Federation: Analysis of Ministerial Error Allegations for JSC AVISMA Titanium—Magnesium Works (Avisma), dated March 21, 2005, on file in the Central Records Unit, Room B-099 of the main Commerce Building.

Therefore, in accordance with 19 CFR 351.224(e), we are amending the final determination of sales at LTFV in the antidumping duty investigation of magnesium metal from the Russian Federation. The revised dumping margins for the period January 1, 2003, through December 31, 2003 are as follows:

Manufacturer/exporter	Weighted-average margin (percent)
JSC AVISMA Titanium-Magnesium Works	21.71
Solikamsk Magnesium Works ..	18.65
All Others	21.01

Continuation of Suspension of Liquidation

Pursuant to section 735(c)(1)(B) of the Act, we will instruct U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of all entries of magnesium from the Russian Federation that are entered, or withdrawn from warehouse, for consumption on or after October 4, 2004, the date of publication of the preliminary determination in the **Federal Register**. We will instruct CBP to require, for each entry, a cash deposit or the posting of a bond equal to the weighted-average dumping margins indicated above. These instructions suspending liquidation will remain in effect until further notice.

This determination is issued and published pursuant to sections 753(d) and 777(i) of the Act.

Dated: March 24, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
