In addition, Amendment Number 1 allowed BANC to dispatch the Covered Resource upon notification of an EEA2 or greater (without limiting operation to the hours of 14:00 Pacific Time and 22:00 Pacific Time), and to operate for such reasonable and limited time as is necessary for the Covered Resource to ramp down following an EEA2 or greater. All other terms of the BANC Order remained in effect, including the obligation of BANC to exhaust all reasonably and practically available resources prior to dispatching the Covered Resource and the obligation to report information regarding the environmental impacts of the operation of the Covered Resource permitted by the BANC Order. As required by FPA section 202(c), the Department consulted with the Environmental Protection Agency (EPA) in considering BANC's request for an extension of the BANC Order. The EPA did not request any additional conditions be included in the BANC Order as amended by Amendment Number 1.
