

Neither OIG's existing CPGs nor any forthcoming GCPG or ICPG constitutes a model compliance program. Rather, the goal of these documents has been, and will continue to be, to set forth a voluntary set of guidelines and identified risk areas that OIG believes individuals and entities engaged in the health care industry should consider when developing and implementing a new compliance program or evaluating an existing one. Our existing CPGs and supplemental CPGs will remain available for use as an ongoing resource as we develop and publish the GCPG and ICPGs.

Christi A. Grimm,
Inspector General.
