B. Submitting Comments

The NRC encourages electronic comment submission through the Federal rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2021-0210 in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. **The title of the information collection:** Invoice Submissions by Contractors for NRC Contracts/Orders.
2. **OMB approval number:** 3150-0109.
3. **Type of submission:** Extension.
4. **The form number, if applicable:** Not applicable.
5. **How often the collection is required or requested:** On occasion.
6. **Who will be required or asked to respond:** Contractors.
7. **The estimated number of annual responses:** 710.
8. **The estimated number of annual respondents:** 36.
9. **The estimated number of hours needed annually to comply with the information collection requirement or request:** 1046.
10. **Abstract:** The Division of Acquisition Management in the Office of Administration at the NRC, provides contractors with an invoice template and instructions for how to properly prepare invoices, for all cost-reimbursement contracts/task orders, to complete via Invoicing Processing Platform.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: April 12, 2022.

I. Introduction

On April 6, 2022, the Postal Service filed a formal request to make a material modification to the product description of Ancillary Services on the Mail Classification Schedule (MCS), along with corresponding "minor revisions" to other MCS entries.¹ Specifically, the Postal Service seeks to strike the description of Special Handling in section 1505.18 of the MCS, as well as all other references to Special Handling. Request at 1. To support its Request, the Postal Service incorporated a statement of supporting justification required by 39 CFR 3040.180 and attached its proposed changes to the MCS.²

¹ United States Postal Service Request to Modify the Product Description of Ancillary Services on the Market Dominant Product List, April 6, 2022, at 1 (Request).

² The Postal Service asserts that, because the Commission has historically treated Ancillary Services as a "product" and the various services listed within as "components" or "sub-components," and because the Postal Service intends to keep Ancillary Services on the market dominant product list, the elimination of Special
