Foreign-Trade Zones Board

[B–25–2023]

Foreign-Trade Zone (FTZ) 7; Authorization of Production Activity; FMC Agricultural Caribe Industries, Ltd.; (Agricultural Chemicals); Manati, Puerto Rico

On April 4, 2023, FMC Agricultural Caribe Industries, Ltd., submitted a notification of proposed production activity to the FTZ Board for its facility within Subzone 7E, in Manati, Puerto Rico.

The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the **Federal Register** inviting public comment (88 FR 21173, April 10, 2023). On August 2, 2023, the applicant was notified of the FTZ Board's decision that no further review of the activity is warranted at this time. The production activity described in the notification was authorized, subject to the FTZ Act and the FTZ Board's regulations, including section 400.14.

Dated: August 2, 2023.

Elizabeth Whiteman,

Executive Secretary.

Foundry Coke Products From the People's Republic of China: Final Results of the Expedited Fourth Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on foundry coke products (foundry coke) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Sunset Review” section of this notice.

DATES: Applicable August 7, 2023.

FOR FURTHER INFORMATION CONTACT: Kabir Archuleta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2593.

SUPPLEMENTARY INFORMATION:

Background

On September 17, 2001, Commerce published the antidumping duty order on foundry coke from China.¹ On April 3, 2023, Commerce published the notice of initiation of the five-year sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On April 18, 2023, Commerce received a notice of intent to participate in this review from ABC Coke and SunCoke Energy, Inc. (collectively, domestic interested parties) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as manufacturers of a domestic like product in the United States. On May 3, 2023, the domestic interested parties provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR

351.218(d)(3)(i).⁴ We received no substantive responses from any other interested parties, nor was a hearing requested. On May 26, 2023, Commerce notified the U.S. International Trade Commission (ITC) that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of this *Order*.

Scope of the Order

The product covered under the *Order* is coke larger than 100 mm (4 inches) in maximum diameter and at least 50 percent of which is retained on a 100 mm (4 inch) sieve, of a kind used in foundries. The foundry coke products subject to the *Order* were classifiable under subheading 2704.00.00.10 (as of January 1, 2000) and are currently classifiable under subheading 2704.00.00.11 (as of July 1, 2000) of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and Customs purposes, our written description of the scope of the *Order* is dispositive.⁶

Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation of the *Order* and the magnitude of the margins likely to prevail if the *Order* were revoked, are addressed in the accompanying Issues and Decision Memorandum.⁷ A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly
