## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-43697; File No. SR-OPRA-00-08]

### Options Price Reporting Authority; Order Approving an Amendment to the Options Price Reporting Authority Plan to Establish Standards for Determining a Participation Fee

December 8, 2000.

#### I. Introduction

On September 12, 2000, the Options Price Reporting Authority ("OPRA") submitted to the Securities and Exchange Commission ("SEC" or "Commission"), pursuant to Rule 11Aa3-2 under the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> an amendment to the OPRA Plan for Reporting of Consolidated Options Last Sale Reports and Quotation Information ("OPRA Plan").<sup>2</sup> The proposed OPRA Plan

<sup>1</sup> 17 CFR 240.11Aa3-2.

<sup>2</sup> OPRA is a National Market System Plan approved by the Commission pursuant to Section 11A of the Act and Rule 11Aa3-2 thereunder. See Securities Exchange Act Release No. 17638 (March 18, 1981). The OPRA Plan provides for the collection and dissemination of last sale and quotation information on options that are traded on the participant exchanges. The six exchanges that are participants to the OPRA Plan are the American Stock Exchange LLC, the Chicago Board Options

amendment would incorporate in the OPRA Plan factors to be considered by OPRA in determining the amount of the participation fee described in the current OPRA Plan as payable by each new party to the OPRA Plan. Notice of the proposed OPRA Plan amendment was published in the **Federal Register** on October 3, 2000.<sup>3</sup> the Commission received one comment letter on the proposed OPRA Plan amendment.<sup>4</sup> This order approves the proposal.

#### II. Description and Purpose of the Amendment

The OPRA Plan currently provides that any national securities exchange or registered securities association whose rules governing the trading of standardized options have been approved by the Commission may become a party to the OPRA Plan, provided it agrees to conform to the terms and conditions of the OPRA Plan and pays a participation fee to OPRA. The OPRA Plan does not establish the amount of the participation fee, but instead, states that the amount of the fee will be determined by OPRA in connection with each new application for participation, based upon standards incorporated in the OPRA Plan.<sup>5</sup> OPRA believes that this approach provides sufficient flexibility to permit the determination of the fee to take into account the unique circumstances of each new application while, at the same time assuring that the amount of the fee is based upon a set of established standards, thus enabling the fee to be administered in a fair and consistent manner. Under this structure, the amount of the participation fee will be determined in discussions with each applicant in light of the standards embodied in the OPRA Plan, under the general oversight of the Commission. OPRA represents that this is the same general approach that is reflected in the plans of other registered securities information processor, such as the Consolidated Tape Association and the Consolidated Quotation System.<sup>6</sup>
