SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections and one new information collection.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents,

including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB)

Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

(SSA) Social Security Administration, DCRDP, Attn: Reports Clearance Director, 107 Altmeyer Building, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OPLM.RCO@ssa.gov.

SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments,

we must receive them no later than August 15, 2012. Individuals can obtain copies of the OMB clearance packages by writing to OPLM.RCO@ssa.gov.

1. *Health IT Partner Program Assessment—Partnering Facilities and Available Content Form—24 CFR 495.300–495.370—0960–NEW*. The Health Information Technology for Economic and Clinical Health (HITECH) Act promotes the adoption and meaningful use of health information technology (IT), particularly in the context of working with government agencies. Similarly, section 3004 of the Public Health Service Act requires health care providers or health insurance issuers with government contracts to implement, acquire, or upgrade their health IT systems and products to meet adopted standards and implementation specifications.

To support expansion of SSA's health IT initiative as defined under HITECH, SSA developed Form SSA-680, the Health IT Partner Program Assessment—Participating Facilities and Available Content Form. The SSA-

680 allows healthcare providers to provide the information SSA needs to determine their ability to exchange health information with us electronically. We intend to evaluate potential partners (*i.e.*, healthcare providers and organizations) on (1) the accessibility of health information they possess, and (2) the content value of their electronic health records' systems for our disability adjudication processes. SSA reviews the completeness of organizations' SSA-680 responses as one part of our careful analysis of their readiness to enter into a health IT partnership with us. The respondents are healthcare providers and organizations exchanging information with the agency.

Note: This is a correction notice. SSA published this information collection notice with a different form title on January 31, 2012 at 77 FR 4854. We are publishing this notice with the revised, corrected form title here.

Type of Request: This is a new information collection request.

2. *Statement of Self-Employment Income—20 CFR 404.101, 404.110, 404.1096(a)–(d)—0960–0046*. To qualify for insured status and thus collect Social Security benefits, self-employed individuals must demonstrate they earned the minimum amount of self-employment income (SEI) in a current

year. SSA uses Form SSA-766, Statement of Self-Employment Income, to collect the information we need to determine if the individual will have at least the minimum amount of SEI needed for one or more quarters of coverage in the current year. Based on the information we obtain, we may

credit additional quarters of coverage to give the individual insured status thus expediting benefit payments. Respondents are self-employed individuals who may be eligible for Social Security benefits.

Type of Request: Revision of an OMB-approved information collection.

Collection instrument	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-766	2,500	1	5	208

3. *Certification by Religious Group—20 CFR 404.1075–0960–0093*. SSA is responsible for determining whether religious groups meet the qualifications exempting certain members and sects from payment of Self-Employment

Contribution Act taxes under the Internal Revenue Code, section 1402(g). SSA sends Form SSA-1458, Certification by Religious Group, to a group's authorized spokesperson to complete and verify organizational

members meet or continue to meet the criteria for exemption. The respondents are spokespersons for religious groups or sects.

Type of Request: Revision of an OMB-approved information collection.

SSA-1458	180	1	15	45

4. *Claim for Amounts Due in the Case of a Deceased Beneficiary—20 CFR 404.503(b)–0960–0101.* SSA requests applicants complete Form SSA–1724 when there is insufficient information in the file to identify the person(s) entitled to the underpayment, or the

person's address. SSA collects the information when a surviving widow(er) is not already entitled to a monthly benefit on the same earnings record, or is not filing for a lump-sum death payment as a former spouse. SSA uses the information Form SSA–1724

provides to ensure proper payment of an underpayment due a deceased beneficiary. The respondents are applicants for underpayments owed to deceased beneficiaries.

Type of Request: Revision of an OMB-approved information collection.

Collection instrument	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–1724	250,000	1	10	41,667

5. *Certificate of Election for Reduced Spouse's Benefits—20 CFR 404.421–0960–0398.* Reduced benefits are not payable to an already entitled spouse, at least age 62 but under full retirement age, who no longer has a child in their

care unless the spouse elects to receive reduced benefits. If spouses decide to elect reduced benefits, they complete Form SSA–25. SSA uses the information to pay qualified spouses who elect to receive reduced benefits. Respondents

are entitled spouses seeking reduced benefits.

Type of Request: Revision of an OMB-approved information collection.

Collection instrument	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)

6. *Surveys in Accordance with E.O. 12862 for the Social Security Administration—0960–0526.* Under the auspices of Executive Order 12862, Setting Customer Service Standards, SSA conducts multiple customer satisfaction surveys each year. These voluntary customer satisfaction

assessments include paper, Internet, and telephone surveys; mailed questionnaires; and customer comment cards. The purpose of these questionnaires is to assess customer satisfaction with the timeliness, appropriateness, access, and overall quality of existing SSA services and

proposed modifications or new versions of services. The respondents are recipients of SSA services (including most members of the public), professionals, and individuals who work on behalf of SSA beneficiaries.

Type of Request: Revision of an OMB-approved information collection.

7. *Request for Business Entity Taxpayer Information—0960–0731.* Law firms or other business entities must complete Form SSA–1694, Request for Business Entity Taxpayer Information, if they wish to serve as appointed representatives and receive direct payment of fees from SSA. SSA uses the

information to issue a Form 1099–MISC. SSA also uses the information to allow business entities to designate individuals to serve as entity administrators authorized to perform certain administrative duties on their behalf, such as providing bank account information, maintaining entity

information, and updating individual affiliations. Respondents are law firms or other business entities which have attorneys or other qualified individuals as partners or employees who represent claimants before SSA.

BILLING CODE 4710-19-P

DEPARTMENT OF STATE

[Public Notice 7956]

International Joint Commission; International Joint Commission To Hold Public Hearings on Lake Osoyoos

The International Joint Commission (IJC) is inviting the public to comment on recommendations for the renewal of its Lake Osoyoos order. The order provides for the regulation of water levels of Lake Osoyoos for the benefit of agriculture, tourism, municipal interests, and fisheries protection.

Water levels of Lake Osoyoos have been regulated by the IJC since 1946, when it approved alterations to an existing dam downstream from the lake. Under orders of the IJC, a new structure was constructed in 1987 to replace the dam. The orders set maximum and minimum lake elevations of 911.5 and 909 feet during normal years. During a drought year, water may be stored to lake elevations as high as 913.0 feet.

The current Orders of Approval for Lake Osoyoos are set to expire on February 22, 2013, unless renewed. The IJC asked its International Osoyoos Lake Board of Control (the Board) to present a *report of recommendations* for renewing the Osoyoos Lake Orders. Drawing on the results of eight studies commissioned by IJC, the Board recommends that the scope of a renewed Order remain limited to the management of lake levels with only minor modifications that are primarily related to a revised lake-level rule curve (i.e. prescribed lake water level elevation limits over time per an IJC Order). The Board also recommends that the Commission should encourage the continued cooperation between British Columbia and the State of Washington

to balance flow needs across the International Border and downstream of the dam, while respecting goals for Osoyoos Lake elevations and limits on releases that are possible from Okanagan Lake.

The Board recommends a public review of the proposed rule curve. The proposed rule curve would provide additional seasonal flexibility in achieving targeted lake levels, and would accommodate multiple uses and users of the lake. The proposed rule curve would also eliminate drought/non-drought declarations and would limit the maximum lake levels to 912.5 ft in the summer. More detailed discussion of the proposed rule curve and the Board's recommendations on renewal of the Order are contained in the Board's Report entitled *Recommendations for Renewal of the International Joint Commission's Osoyoos Lake Order* now posted on the IJC Web site at www.ijc.org.

Commissioners invite the public to comment on the report at the following times and locations:

July 24, 2012—7 p.m.

Oroville High School Commons, 1008 Ironwood St., Oroville, WA.

July 25, 2012—7 p.m.

Best Western Plus Sunrise Inn, 5506 Main Street, Osoyoos, BC.

Comments may also be submitted at the hearings, by mail or by email at either address below:

U.S. Section Secretary, International Joint Commission, 2000 L Street NW., Suite #615, Washington, DC 20036, Fax: 202-632-2007. Email: Commission@washington.ijc.org.

Canadian Section Secretary, International Joint Commission, 234 Laurier Avenue West, 22nd Floor, Ottawa, ON K1P 6K6, Fax: 613-993-5583, Email: Commission@ottawa.ijc.org.

The IJC will receive comments until August 31, 2012. The IJC will then consider public comments and review the report before making a decision on renewing the order.

The IJC prevents and resolves disputes between Canada and the United States under the 1909 Boundary Waters Treaty and pursues the common good of both countries as an independent and objective advisor to the two governments.
