

Environmental Policies and Procedures (7 CFR part 1794). There are two Federal actions under the new HWWSP program being considered in this PEA: (1) Grants awarded by RUS to eligible grant recipients and (2) loans made by the grant recipient to eligible loan recipients using the direct or indirect proceeds of a HWWSP grant awarded under this program.

The level of RUS environmental reviews for agency actions are categorized in 7 CFR part 1794, subpart C, Classification of Proposals. Both agency actions for the HWWSP program are classified in 7 CFR 1794 as categorical exclusions. The first action (grant award) is classified under 7 CFR 1794.21(c)(3) categorically excluded proposals without an Environmental Report. The second (loan approvals) action is classified under 7 CFR 1794.22(b)(1) categorically excluded proposals requiring an Environmental Report.

Due to similar project activities and a limited area of potential effect of most HWWSP loan approval actions, RUS finds that a programmatic environmental analysis of the new HWWSP will reduce paperwork, duplication of effort, and promote a more efficient decision-making process for program implementation. RUS reserves the right to update this programmatic analysis to take additional information into account or develop particular elements of the analysis more fully as may be warranted in individual circumstances.

In summary, RUS has determined that the implementation of the HWWSP will not significantly affect the human or natural environment. However, to minimize any potential for adverse effects to specific environmental resources grant recipients will be required to comply with the following mitigation measures. These mitigation measures will be incorporated in executed grant agreements.

1. Floodplains

The grant recipient will complete FEMA Form 81-93, Standard Flood Hazard Determination Form for all loans. If a household is located in a special flood hazard area (Code A and V), the revolving loan fund recipient must have flood insurance and the grantee shall obtain flood insurance certifications as part of the revolving loan fund closing process.

2. Water Quality Issues

HWSPHWWSP funded projects will be built by contractors that are appropriately licensed to do the work in the State where the project is located.

Water withdrawal permits will be obtained as required by the appropriate State or local regulatory agency.

3. Coastal Resources

The grant recipient will obtain written approval from the U. S. Fish and Wildlife Service before approving any proposed loans located in Coastal Barrier Resources System units.

Dated: September 24, 2004.

Gary J. Morgan,

Assistant Administrator, Water and Environmental Programs, Rural Utilities Service.

Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Dr. Nancy Foster Scholarship Program.

Form Number(s): CD-436, CD-511.

OMB Approval Number: 0648-0432.

Type of Request: Regular submission.

Burden Hours: 1,827.

Number of Respondents: 1,000.

Average Hours Per Response: Five hours for application package; 45 minutes for letter of recommendation; 1.5 hours for annual report; five minutes for No Concurrent Work Statement; 15 minutes for CD-346; five minutes for CD-511; and one hour for biographical sketch and photo.

Needs and Uses: The Dr. Nancy Foster Scholarship Program recognizes outstanding scholarship by providing financial support to graduate students pursuing masters and doctoral degrees in the areas of marine biology, oceanography, and maritime archeology. The applicants must submit information that allows NOAA to make scholarship selections. Those applicants selected to receive scholarships must submit additional information that enables NOAA to arrange funding and track their academic progress.

Affected Public: Individuals or households.

Frequency: Annually.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, FAX number (202) 395-7285, or David_Rostker@omb.eop.gov.

Dated: September 22, 2004.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

Circular Welded Carbon Steel Pipes and Tubes From Taiwan: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On July 1, 2003, the Department of Commerce (the Department) published in the **Federal Register** (68 FR 39055) a notice announcing the initiation of the administrative review of the antidumping duty order on circular welded carbon steel pipes and tubes from Taiwan. The period of review (POR) is May 1, 2002 to April 30, 2003. On June 8, 2004, the Department published the preliminary results of its administrative review of the antidumping duty order on circular welded carbon steel pipes and tubes from Taiwan (*see Circular Welded Carbon Steel Pipes and Tubes from Taiwan: Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 31958 (June 8, 2004) (*Preliminary Results*). In the preliminary results, we found that U.S. sales were made below normal value (NV) by the respondent, Yieh Hsing Enterprise Co., Ltd. (Yieh Hsing). We gave interested parties an opportunity to comment on our preliminary results; comments from petitioners and respondents are addressed in the "Issues and Decision
