SUPPLEMENTARY INFORMATION: The system notice for the Consumer Complaint and Inquiry Records system is being altered to provide a more detailed description of the categories of agency records that are maintained in this system of records. This includes adding a reference to inquiries concerning deposit insurance coverage for depositors of FDIC-insured depository institutions. These inquiries comprise at least one-half of the records in this system. The current system notice is also being updated to reflect that this system of records is now managed by the FDIC's Division of Supervision and Consumer Protection ("DSC") as successor to the FDIC's Division of Compliance and Consumer Affairs, which previously managed this system. The FDIC has amended the purpose clause of this system notice to accurately reflect the large number of deposit insurance inquiries and to more clearly state the FDIC's supervisory responsibilities. Finally, the retention

period for records in this system of records is being extended from two to five years to provide a longer timeframe for DSC to perform trends analysis on the consumer data that is collected.

SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

Section 10b of the Federal Home Loan Bank Act (Bank Act) (12 U.S.C. 1430b) authorizes the Federal Home Loan Banks (FHLBanks) to make advances under certain circumstances to certified nonmember mortgagees. The Finance Board refers to nonmember mortgagees as housing associates. In order to be certified as a housing associate, an applicant must meet the eligibility requirements set forth in section 10b of the Bank Act. Part 926 of the Finance Board regulations (12 CFR part 926) implements the statutory eligibility requirements and establishes uniform review criteria an applicant must meet in order to be certified as a housing associate by an FHLBank. More specifically, sections 926.3 and 926.4 (12 CFR 926.3-926.4) implement the statutory eligibility requirements and

provide guidance to an applicant on how it may satisfy such requirements. Section 926.5 (12 CFR 926.5) authorizes the FHLBanks to approve or deny all applications for certification as a housing associate, subject to the statutory and regulatory requirements. Section 926.6 (12 CFR 926.6) permits an applicant to appeal an FHLBank decision to deny certification to the Finance Board.

Section 950.17 of the Finance Board regulations (12 CFR 950.17) establishes the terms and conditions under which an FHLBank may make advances to a certified housing associate. Section 950.17 also imposes a continuing obligation on a housing associate to provide information necessary to determine if it remains in compliance with applicable statutory and regulatory requirements.

The information collection contained in sections 926.1 through 926.6 and section 950.17 of the Finance Board regulations (12 CFR 926.1-926.6 and 950.17) is necessary to enable the FHLBanks to determine whether an applicant satisfies the statutory and regulatory requirements to be certified initially and maintain its status as a housing associate eligible to receive FHLBank advances. The Finance Board requires and uses the information collection to determine whether to uphold or overrule an FHLBank decision to deny housing associate certification to an applicant.

The OMB control number for the information collection, which expires on November 30, 2005, is 3069-0005. The likely respondents include applicants for housing associate certification and current housing associates.

B. Burden Estimate

The Finance Board estimates the total annual average number of applicants at one, with one response per applicant. The estimate for the average hours per application is 10 hours. The estimate for the annual hour burden for applicants is 10 hours (1 applicant × 1 response per applicant × 10 hours).

The Finance Board estimates the total annual average number of maintenance respondents, that is, certified housing associates, at 63, with 1 response per housing associate. The estimate for the average hours per maintenance response is 0.5 hours. The estimate for the annual hour burden for certified housing associates is 31.5 hours (63 certified housing associates × 1 response per associate × 0.5 hours).

The estimate for the total annual hour burden is 41.5 hours (63 housing associates × 1 response per associate ×
