SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Summary Plan Description Requirements Under the Employee Retirement Income Security Act of 1974 (ERISA), as Amended information collection requirements codified in regulations 29 CFR 2520.102-2,

2520.102-3, 2520.104b-2, and 2520.104b3 that provide guidance on the content, frequency, and manner of certain disclosures the ERISA requires an employee benefit plan subject to the Act periodically to furnish plan participants and certain specified plan beneficiaries. A benefit plan uses summary plan descriptions, material modifications summaries, and material reductions summaries to make the disclosures. ERISA sections 102(b), 104(b)(1), and 109(c) authorize this information collection. See 29 U.S.C. 1022(b), 1024(b)(1), and 1029(c).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0039.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on June 30, 2016. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 23, 2016 (80 FR 72990).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1210-0039. The OMB is particularly interested in comments that:
