(c) * * *

(1) *Factual information submitted in response to questionnaires.* During a proceeding, the Secretary may issue to any person questionnaires, which includes both initial and supplemental questionnaires. The Secretary will not consider or retain in the official record of the proceeding unsolicited questionnaire responses, except as provided under § 351.109(h)(2), or untimely filed questionnaire responses. The Secretary will reject any untimely filed or unsolicited questionnaire response and provide, to the extent practicable, written notice stating the reasons for rejection (see § 351.302(d)).

(i) Initial questionnaire responses are due 30 days from the date of receipt of such

questionnaire. The time limit for response to individual sections of the questionnaire, if the Secretary requests a separate response to such sections, may be less than the 30 days allotted for response to the full questionnaire. In general, the date of receipt will be considered to be seven days from the date on which the initial questionnaire was transmitted.

(ii) Supplemental questionnaire responses are due on the date specified by the Secretary.

(iii) A notification by an interested party, under section 782(c)(1) of the Act, of difficulties in submitting information in response to a questionnaire issued by the Secretary is to be submitted in writing within 14 days after the date of the questionnaire or, if the questionnaire is due in 14 days or less, within the time specified by the Secretary.

(iv) A respondent interested party may request in writing that the Secretary conduct a questionnaire presentation. The Secretary may conduct a questionnaire presentation if the Secretary notifies the government of the affected country and that government does not object.

(v) Factual information submitted to rebut, clarify, or correct questionnaire responses. Within 14 days after an initial questionnaire response and

within 10 days after a supplemental questionnaire response has been filed with the Department, an interested party other than the original submitter is permitted one opportunity to submit factual information to rebut, clarify, or correct factual information contained in the questionnaire response. Within seven days of the filing of such rebuttal, clarification, or correction to a questionnaire response, the original submitter of the questionnaire response is permitted one opportunity to submit factual information to rebut, clarify, or correct factual information submitted in the interested party's rebuttal, clarification or correction. The Secretary will reject any untimely filed rebuttal, clarification, or correction submission and provide, to the extent practicable, written notice stating the reasons for rejection (see § 351.302). If insufficient time remains before the due date for the final determination or final results of review, the Secretary may specify shorter deadlines under this section

BILLING CODE 3510-DS-P

LIBRARY OF CONGRESS

U.S. Copyright Office

37 CFR Part 201

[Docket No. 2024-7]

Electronic Payment of Royalties Using Pay.gov

AGENCY: U.S. Copyright Office, Library of Congress.

ACTION: Final rule.

SUMMARY: The Copyright Office is issuing a final rule to amend its regulations regarding the submission of royalty fees to the Copyright Office to require that all such fees be paid using Pay.gov.

DATES: Effective April 30, 2025.

FOR FURTHER INFORMATION CONTACT: Rhea Efthimiadis, Assistant to the General Counsel, by email at mefth@copyright.gov, or by telephone at 202-707-8350.

SUPPLEMENTARY INFORMATION: The section 111 of the Copyright Act (“Act”), title 17 of the United States Code, provides cable operators with a statutory license to retransmit a performance or display of a work embodied in a “primary transmission” made by a television station licensed by the Federal Communications Commission (“FCC”). Cable operators that retransmit broadcast signals in accordance with this provision are required to pay royalty fees to the Copyright Office (“Office”), among other requirements. Similarly, section 119 of the Act provides satellite carriers with a statutory license to retransmit certain primary transmissions if they satisfy certain criteria, for which they also must pay royalty fees to the Office. In addition, sections 1003 and 1004 of the Act require manufacturers and importers of digital audio recording devices and digital audio recording media (“DART”) to pay royalty fees to the Office.

On December 12, 2024, the Office published a notice of proposed rulemaking (“NPRM”) setting forth proposed amendments to the regulations governing the submission of royalty fees by cable operators, satellite carriers, and DART operators to require that these fees be paid using the U.S. Treasury Department’s Pay.gov system.¹ As noted in the NPRM, mandating Pay.gov benefits both filers and the Office because it streamlines the process to receive, reconcile, and post payments; provides remitters with the convenience of using a variety of methods, including credit or debit cards, as a form of payment; and eliminates redundancy.²

The Office did not receive any relevant comments from the public in response to this rulemaking. As a result, the Office is adopting the proposed amendments as final without change. To guide remitters unfamiliar with Pay.gov, the Office has created Pay.gov tutorials, which are posted on the Licensing Section’s website.³
