page of any filing should include docket number P–2305–129. Comments emailed to Commission staff are not considered part of the Commission record.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Request*: The Sabine River Authority of Texas and the Sabine River Authority, State of Louisiana (Sabine RA), filed an application for a non-capacity amendment of the license. The existing project license, issued August 29, 2014, authorizes the Sabine RA to construct a 1.3 megawatt minimum flow generating facility within the project's spillway. The Sabine RA conducted a feasibility analysis and determined that it is not financially viable to construct this facility. The Sabine RA therefore request to amend the license and related plans, to remove references to the minimum flow generating facility.

l. *Locations of the Application*: This filing may be viewed on the Commission's website at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via email of new filings and issuances related to this or other pending projects. For assistance, call 1–866–208–3676 or email FERCOnlineSupport@ferc.gov, for TTY, call (202) 502–8659. Agencies may obtain copies of the application directly from the applicant.

m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. *Comments, Protests, or Motions to Intervene*: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, and .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments,

protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. *Filing and Service of Documents*: Any filing must (1) bear in all capital letters the title "COMMENTS", "PROTEST", or "MOTION TO INTERVENE" as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person commenting, protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis. Any filing made by an intervenor must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 385.2010.

Dated: November 2, 2021.

[Docket No. CP18–46–000]

Adelphia Gateway, LLC; Notice of Request for Extension of Time

Take notice that on November 1, 2021, Adelphia Gateway, LLC (Adelphia) requested that the Federal Energy Regulatory Commission (Commission) grant an extension of time, until June 20, 2023, in order to construct and place into service the facilities authorized by the Federal Energy Regulatory Commission in the above-referenced proceeding into service, in Delaware and Pennsylvania, as authorized as part of Adelphia's Project in the December 20, 2019 Order Issuing Certificate¹ (December 20 Order). The December 20 Order required Adelphia to complete construction and make the facilities available for service within two years of the order date.

While Adelphia has already constructed a significant number of the Project facilities and made substantial progress towards the completion of others, Adelphia states that it has been delayed in completing construction due
