ACTION: Proposed Supplementary Rules and Written Orders.

SUMMARY: In previous **Federal Register** Notices, the Bureau of Land Management (BLM) has enacted numerous Supplementary Rules and Orders to provide management and protection of Public Lands and resources. The BLM is republishing these existing Supplementary Rules and Orders to correct typographical errors, correct administrative errors, to review the need for the Supplementary Rule, and to provide for additional public comment. Each existing Supplementary Rule and Order is written here in its entirety with changes/additions in *italics* and deletions in parenthesis.

These Supplementary Rules will protect the resources and the recreational experience until planning is completed.
