Furnishers are required to have procedures to ensure that disputes received directly from consumers are handled in a substantially similar manner to those complaints received through CRAs.

Twelve CFR 1022.43(f)(2) incorporates the statutory requirement that a furnisher must notify a consumer by mail or other means (if authorized by the consumer) not later than five business days after making a determination that a dispute is frivolous or irrelevant. SUPPLEMENTARY INFORMATION:

I. Background

TRIA¹ created the Program within the U.S. Department of the Treasury (Treasury) to address disruptions in the market for terrorism risk insurance, to help ensure the continued availability and affordability of commercial property and casualty insurance for terrorism risk, and to allow for the private market to stabilize and build insurance capacity to absorb any future losses for terrorism events. The Program has been reauthorized on a number of occasions, and was most recently extended until December 31, 2027.² TRIA requires the Secretary of the Treasury (Secretary) to collect certain insurance data and information from insurers on an annual basis regarding their participation in the Program.³ TRIA also requires the Secretary to prepare a biennial study on the competitiveness of small insurers in the terrorism risk insurance marketplace (Small Insurer Study).⁴ The next Small Insurer Study must be submitted to Congress by June 30, 2021. The Federal Insurance Office (FIO) is authorized to assist the

Secretary in the administration of the Program,⁵ including conducting the annual data call and preparing reports and studies required under TRIA.

FIO will be using the same data collection forms, without material changes, that were used during the 2020 TRIP Data Call. FIO solicited public comment concerning these forms, after their use during the 2020 TRIP Data Call,⁶ and received no comments objecting to the continued use of these forms or proposing further revisions to the forms. The forms were then submitted for approval to the Office of Management and Budget (OMB),

¹ Public Law 107-297, 116 Stat. 2322, codified at 15 U.S.C. 6701, note. Because the provisions of TRIA (as amended) appear in a note, instead of particular sections, of the United States Code, the provisions of TRIA are identified by the sections of the law.

² Terrorism Risk Insurance Program Reauthorization Act of 2019, Public Law 116-94, 133 Stat. 2534.

³ TRIA, sec. 104(h)(1). Treasury regulations also address the annual data collection requirement. See 31 CFR 50.51, 50.54.

⁴ TRIA, sec. 108(h).

⁵ 31 U.S.C. 313(c)(1)(D).

⁶ 85 FR 41676 (July 10, 2020).

pursuant to the requirements of the Paperwork Reduction Act. The data collection forms have now been approved for use by OMB under Control Number 1505-0257 for a period ending November 30, 2023.⁷

II. Elements of 2021 TRIP Data Call

For purposes of the 2021 TRIP Data Call, FIO, state insurance regulators, and the National Association of Insurance Commissioners (NAIC) will again use the consolidated data call mechanism first developed for use in the 2018 TRIP Data Call. This approach relies on four joint reporting templates, to be completed by Small Insurers, Non-Small Insurers, Captive Insurers, and Alien Surplus Lines Insurers, each as defined below. The use of joint reporting templates is designed to satisfy the objectives of both Treasury and state insurance regulators, while also reducing burden on participating insurers. State insurance regulators or the NAIC will provide separate notification regarding the reporting of information into the state reporting portal, including any reporting requirements to state insurance regulators that are distinct from the Treasury requirements. Insurers subject to the consolidated data call that are part of a group will report on a group basis, while those that are not part of a group will report on an individual company basis.

A. Reporting of Workers' Compensation Information

The TRIP Data Calls request certain information relating to workers' compensation insurance. For the 2021 TRIP Data Call, Treasury will again work with the National Council on Compensation Insurance (NCCI), the California Workers' Compensation Insurance Rating Bureau (California WCIRB), and the New York Compensation Insurance Rating Board (NYCIRB) to provide workers' compensation data relating to premium and payroll information on behalf of participating insurers, either directly or through other workers' compensation rating bureaus. The data aggregator used by Treasury will provide such insurers with reporting templates that do not require them to report this workers' compensation data. Reporting insurers that write only workers' compensation policies are still required to register for the 2021 TRIP Data Call and provide general company information and data
