Assessment

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we have calculated exporter/importer-specific duty assessment rates by aggregating the dumping margins for the examined U.S. sales for each importer and dividing the amount by the total entered value of the sales for that importer. In situations in which the importer-specific assessment rate is above *de minimis*, we will instruct CBP to assess antidumping duties on that importer's entries of subject merchandise. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of these final results of review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of the administrative review for all shipments of certain pasta from Italy entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for the reviewed companies will be the rates shown above, except where the margin is *de minimis* or zero we will instruct CBP not to collect cash deposits; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 11.26 percent, the "All Others" rate established in the less-than-fair-value investigation. *See Notice of Antidumping Duty Order and Amended Final Determination of Sales at Less Than Fair Value: Certain Pasta from Italy*, 61 FR 38547 (July 24, 1996). These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Notification

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the Secretary's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent increase in antidumping duties by the amount of antidumping and/or countervailing duties reimbursed.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO are sanctionable violations.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 21, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
