

attendees will be provided with a more in-depth understanding of these new requirements to assist them in complying with these regulations. The workshops will also provide opportunities to discuss outreach to small and very small plants, ensuring that these establishments receive the guidance that they need to successfully respond to the new requirements. Representatives of the Animal and Plant Health Inspection Service will also participate in the workshops.

#### Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to better ensure that minorities, women, and persons with disabilities are aware of this notice; FSIS will announce it and make copies of this **Federal Register** publication available through the FSIS Constituent Update. FSIS provides a weekly Constituent Update, which is communicated via Listserv, a free e-mail subscription service. In addition, the update is available on-line through the Internet at <http://www.fsis.usda.gov>. The update is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and any other types of information that could affect or would be of interest to our constituents/stakeholders. The constituent Listserv consists of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals that have requested to be included. Through the Listserv and Web page, FSIS is able to provide information to a much broader, more diverse audience.

For more information contact the Congressional and Public Affairs Office, at (202) 720-9113. To be added to the free e-mail subscription service (Listserv) go to the "Constituent Update" page on the FSIS Web site at <http://www.fsis.usda.gov/oa/update/update.htm>. Click on the "Subscribe to the Constituent Update Listserv" link, then fill out and submit the form.

### Forest Service

RIN 0596-AC03

#### Stewardship End Result Contracting Policy

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of issuance of agency interim directive.

**SUMMARY:** The Forest Service is issuing an interim directive to provide guidance for stewardship end result contracting (commonly referred to as "stewardship contracting") projects. This interim directive provides internal administrative direction to guide Forest Service employees in planning, implementing, and monitoring of stewardship contracting projects. The interim directive is issued to Forest Service Handbook (FSH) 2409.19, Renewable Resources Handbook, Chapter 60, Stewardship Contracting, as interim directive No. 2409.19-2004-1.

**EFFECTIVE DATE:** The interim directive is effective January 28, 2004.

**ADDRESSES:** The interim directive is available electronically via the World Wide Web/Internet at <http://www.fs.fed.us/im/directives/fsh/2409.19>. Single paper copies of the directive also are available by contacting the USDA Forest Service, Forest and Rangeland Management Staff, 3 SW., Stop Code 1103, 1400 Independence Avenue SW., Washington, DC 20250-1103.

**FOR FURTHER INFORMATION CONTACT:** Richard Cook, (202) 205-1762, or Darci Birmingham, (202) 205-1759, Forest and Rangeland Management Staff.

**SUPPLEMENTARY INFORMATION:** On June 27, 2003, the Forest Service and the Bureau of Land Management (BLM) adopted jointly developed interim guidelines for implementation of the stewardship end results contracting provisions as authorized by section 323 of Public Law 108-7, the Consolidated Appropriations Resolution, 2003 (16 U.S.C. 2104 note). The Forest Service and BLM published a joint **Federal Register** notice with request for comment on the interim guidelines on June 27, 2003 (68 FR 38285).

Sixty-two (62) responses in the form of letters, faxes, and e-mail messages were received regarding the **Federal Register** notice of the interim guidelines on stewardship contracting. The comments came from private citizens, elected officials, and groups and individuals representing businesses, private organizations, and Federal agencies. Comments ranged from full

support of the interim guidelines to the recommendation that the Forest Service not use much of the authority set out in 16 U.S.C. 2104 note.

Since publication of the **Federal Register** notice of the interim guidelines on stewardship contracting and receipt of comments, the Forest Service has developed an interim directive to provide internal administrative direction to guide Forest Service personnel in planning, implementing, and monitoring of stewardship contracting projects. The interim directive expands upon the interim guidelines and reflects the Forest Service's consideration of all comments received on the **Federal Register** notice of the interim guidelines.

The interim directive (ID) No. 2409.19-2004-1 is being issued to Forest Service Handbook 2409.19, Renewable Resources Handbook, Chapter 60, Stewardship Contracts.

Dated: January 22, 2004.

#### Circular Welded Non-Alloy Steel Pipe From Mexico: Rescission of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of rescission of antidumping duty administrative review.

**SUMMARY:** On December 24, 2003, the Department of Commerce ("the Department") published in the **Federal Register** (68 FR 74550) a notice announcing the initiation of an administrative review of the antidumping duty order on circular welded non-alloy steel pipe from Mexico. This administrative review covered two Mexican manufacturers of circular welded non-alloy steel pipe, Niples Del Norte S.A. de C.V. ("NDN") and Hylsa S.A. de C.V. ("Hylsa"), for the period of November 1, 2002, through October 31, 2003. The Department has now rescinded this review as a result of requests by both parties to withdraw from the review.

**EFFECTIVE DATE:** January 28, 2004.
