

subscriber of his or her right to pursue a claim against the unauthorized carrier for a refund of all charges paid to the unauthorized carrier. Pursuant to section 64.1170(f), where possible, the properly authorized carrier must reinstate the subscriber in any premium program in which that subscriber was enrolled prior to the unauthorized change, if the subscriber's participation in that program was terminated because of the unauthorized change. If the subscriber has paid charges to the unauthorized carrier, the properly authorized carrier shall also provide or restore to the subscriber any premiums to which the subscriber would have been entitled had the unauthorized change not occurred. The authorized carrier must comply with the requirements of this section regardless of whether it is able to recover from the unauthorized carrier any charges that were paid by the subscriber. (No. of respondents: 1960; hours per response: 7 hours; total annual burden: 13,720 hours). h. Section 64.1180, Reporting Requirement. Pursuant to section 64.1180, each provider of telephone exchange and/or telephone toll service shall submit to the Commission FCC Form 478, Slamming Complaint Reporting Form, via e-mail (slamming478@fcc.gov), U.S. Mail, or facsimile a slamming complaint report form identifying the number of slamming complaints received during the reporting period and other information as specified in 64.1180(b). Reporting shall commence August 15, 2001. Carriers are required to complete and file a copy of the FCC Form 478. Copies of the form may be downloaded from the Commission's forms Web page (www.fcc.gov/formpage.html). Carriers are encouraged to maintain all records regarding slamming complaints for at least 24 months from the date on which they receive written, electronic, or oral contact by a consumer alleging that an unauthorized change in his/her preferred carrier was made by the carrier or by another carrier. (No. of respondents: 1850; hours per response: 7 hours per submission; 14 hours; total annual burden: 25,900 hours). i. Section 64.1190, Preferred Carrier Freezes. Section 64.1190 requires that all local exchange carriers that impose preferred carrier freezes on their subscribers' accounts must verify such freezes, as well as accept subscriber requests to lift such freezes in writing or by three-way calls. (No. of respondents: 1800; hours per response: 2 hours; total annual burden: 3600 hours). j. Section 1.719, Informal Complaints Filed Pursuant to section 258—section 1.719 applies to

complaints alleging that a carrier has violated section 258 of the Communications Act of 1934, as amended by the Telecommunications Act of 1996, by making an unauthorized change of a subscriber's preferred carrier, as defined by § 64.1100(e). Pursuant to section 1.719(b), the complaint shall be in writing, and should contain: (1) The complainant's name, address, telephone number and e-mail address (if the complainant has one); (2) the name of both the allegedly unauthorized carrier, as defined by § 64.1100(d), and authorized carrier, as defined by § 64.1100(c); (3) a complete statement of the facts (including any documentation) tending to show that such carrier engaged in an unauthorized change of the subscriber's preferred carrier; (4) a statement of whether the complainant has paid any disputed charges to the allegedly unauthorized carrier; and (5) the specific relief sought. If the complainant is unsatisfied with the resolution of a complaint under this section, the complainant may file a formal complaint with the Commission in the form specified in § 1.721 of this part. (No. of respondents: 13,200; hours per response: 4 hours; total annual burden: 52,800 hours). k. Voluntary Reporting Requirement. States that choose to administer the Commission's slamming rules must regularly file information with the Commission that details slamming activity in their regions. Such filings should identify the number of slamming complaints handled, including data on the number of valid complaints per carrier; the identity of top slamming carriers; slamming trends; and other relevant information. See paragraph 34 of the Order. (Number of respondents: 51; hours per response: 10 hours; total annual burden: 510 hours). The information from these collections will be used to implement section 258 of the Act. The information will strengthen the ability of our rules to deter slamming, while addressing concerns raised with respect to our previous administrative procedures. The information will also enable us to give victims of slamming adequate redress and ensure that carriers that slam do not profit from their fraud. The information will help to protect consumers from carriers who may attempt to take advantage of consumer confusion over different types of telecommunications services. The information gathered in response to the reporting requirement will enable the Commission to identify, as soon as possible, the carriers that repeatedly initiate unauthorized changes. Obligation to respond: Mandatory.

Public reporting burden for the collection of information is as noted above. Send comments regarding the burden estimate or any other aspect of the collections of information, including suggestions for reducing the burden to Performance Evaluation and Records Management, Washington, DC 20554.
