#### **Deletion GNSA 23**

NSA/CSS Operations Security Support Program and Training Files (May 19, 2008, 73 FR 28804).

#### **REASON:**

The category of records in this system has substantially changed. The Interagency Operations Security Support Staff now collects and maintains only name and business information (work address, work telephone number, work fax number, and agency/organization/affiliate). Social Security Numbers are no longer

collected and personal and home information is no longer maintained. As the Interagency Operations Security Support Staff no longer collects and maintains personally identifiable information, this notice can be deleted.
