Abstract: The September 11th Victim Compensation Fund (VCF) provides compensation to any individual (or a personal representative of a deceased individual) who suffered physical harm or was killed as a result of the terrorist-related aircraft crashes of September 11, 2001, or the debris removal efforts that took place in the immediate aftermath of those crashes. Eligibility and Compensation information are collected through the claim form based on the requirements of the VCF's authorizing statutes. The original September 11th Victim Compensation Fund operated from 2001–2004. The James Zadroga 9/11 Health and Compensation Act of 2010 (Zadroga Act) was signed in 2011. Title II of the Zadroga Act reactivated the VCF, which opened in October 2011 and was initially authorized to operate for five years. In December 2015, the Zadroga Act was reauthorized for five years, until December 18, 2020. The signing of the “Never Forget the Heroes, James Zadroga, Ray Pfeifer, and Luis Alvarez Permanent Authorization of the September 11th Victim Compensation Fund Act” in July 2019, fully funded the VCF to pay all eligible claims and extended the claim filing deadline to October 1, 2090. The VCF will use the information collected through the Eligibility and Compensation Form to determine a claimant's eligibility for an award, and if so, the amount of compensation the claimant will be awarded. The Eligibility section seeks the information required by the Zadroga Act to determine whether a claimant is eligible for the Fund, including information related to: participation in lawsuits related to September 11, 2001; presence at a 9/11 crash site between September 11, 2001 and May 30, 2002; and physical harm suffered as a result of the air crashes and/or debris removal. The Compensation section seeks the information required by the Zadroga Act to determine the amount of compensation for which the claimant is eligible. Specifically, the section seeks information regarding the out-of-pocket losses (including medical expenses) incurred by the claimant that are attributable to the 9/11 air crashes or debris removal; the claimant's pain and suffering, loss of earnings and/or replacement services that are attributable to the 9/11 air crashes or debris removal; and any collateral source payments (such as insurance payments) that the claimant received as a result of the terrorist-related aircraft crashes of September 11, 2001 or debris removal efforts.
