

Members must be prepared to work outside of scheduled Committee and subcommittee meetings and may be required to assist in document preparation. Committee members serve on a voluntary basis; however, travel expenses and per diem reimbursement are available.

The Secretary of Agriculture seeks a diverse group of members representing a broad spectrum of persons interested in providing suggestions and ideas on how USDA can tailor its programs to meet the fruit and vegetable industry's needs. Equal opportunity practices will be followed in all appointments to the FVIAC in accordance with USDA policies. To ensure that FVIAC recommendations take into account the needs of the diverse groups served by USDA, membership should reflect the diversity of the industry in terms of the experience of members, methods of production and distribution, marketing strategies, and other distinguishing factors, including but not limited to individuals from historically underserved communities, that will bring different perspectives and ideas to the table.

The information collection requirements concerning the nomination process have been previously cleared by the Office of Management and Budget (OMB) under OMB Control No. 0505-0001.

Date: March 24, 2022.

Cikena Reid,

USDA Committee Management Officer.
