SUPPLEMENTARY INFORMATION: The Assistant Secretary of Labor for Occupational Safety and Health invites interested individuals to submit nominations for membership on WPAC.

Background

The WPAC advises the Secretary of Labor (the Secretary) and the Assistant Secretary of Labor for Occupational Safety and Health (the Assistant Secretary) on ways to improve the fairness, efficiency, and transparency of OSHA's whistleblower investigations. WPAC is a continuing advisory body and operates in compliance with the Federal Advisory Committee Act (5 U.S.C. App. 2) and its implementing regulations (see "Authority and Signature" section).

WPAC Membership

WPAC is comprised of 12 members, whom the Secretary appoints to staggered terms, not to exceed 2 years. OSHA is seeking to fill six positions on WPAC that will become vacant on

December 1, 2015. The composition of WPAC and categories of new members to be appointed to new two-year terms are as follows:

- Two management representatives who are or represent employers or employer associations in industries covered by one or more of the whistleblower laws;
- Two labor representatives who are or represent workers or worker advocacy organizations in industries covered by one or more of the whistleblower laws;
- One member who represents the State OSH Plan states; and
- One public representative from a college, university, non-partisan think tank, or other entity who has extensive knowledge and expertise on whistleblower statutes and issues.

If a vacancy occurs before a term expires, the Secretary may appoint a new member who represents the same interest as the predecessor to serve for the remainder of the unexpired term. The committee meets at least two times a year.

Nomination Requirements

Any individual or organization may nominate one or more qualified persons for membership. If an individual or organization nominates more than one person, each person must be named. Submissions of nominations must include the following information for each nominee:

1. The nominee's name, contact information and current occupation or position (required);
2. The nominee's resume or curriculum vitae, including prior membership on WPAC and other relevant organizations, associations and committees (required);
3. Category of membership (management, labor, state plan, or academic/extensive whistleblower knowledge) the nominee is qualified to represent (required);
4. A summary of the nominee's background, experience and qualifications that address the nominee's suitability to serve on WPAC (required);
5. Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience and expertise in whistleblower protections (optional); and
6. A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in WPAC meetings, and has no apparent conflicts of interest that would preclude membership on WPAC (required).

Nominations that do not contain all required information will not be considered.

Membership Selection

WPAC members will be selected on the basis of their experience, knowledge, and competence in the field of whistleblower protection. The information received through this nomination process, in addition to other relevant sources of information, will assist the Secretary in appointing members to serve on WPAC. In selecting WPAC members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals. The Department encourages the nomination of individuals with diverse viewpoints, perspectives and experiences to the WPAC, including individuals with disabilities and individuals of all races, genders, ages, and sexual orientations.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Occupational Safety and Health Act (Osh Act) Variance Regulations information collection. The OSH Act allows a covered employer to apply for four (4) different types of variances from the requirements of OSH Act standards. An employer submits a variance application that specifies an alternative means of complying with the requirements of applicable standards to the Agency. The OSHA has developed an information collection for four different optional-use forms (Forms OSHA–5–30–1, OSHA–5–30–2, OSHA–5–30–3, and OSHA–5–30–4) that employers might use as templates in applying for variances. While use of the forms is optional, employers are required to submit an application that includes all elements specified in regulations 29 CFR part 1905 in order to receive consideration for a variance. This information collection has been classified as a revision, because the OSHA is including Web-based variance application forms in this submission. OSH Act sections 2(b)(9), 6, 8(c), and 16 authorize this information collection. See 29 U.S.C. 651(b)(9), 655, 657(c), and 665.

This information collection is subject to the PRA. A Federal agency generally
