SUPPLEMENTARY INFORMATION: Rodeo Creek Gold, Inc. proposed an amendment to its plan of operations for the Hollister Underground Mine Project. The proposed amendment would transition its existing underground exploration operations into an underground gold and silver mining operation. Most of the necessary infrastructure to support a mining operation was authorized and built in conjunction with the underground exploration activities. The proposed project would be located 47 miles northwest of Elko in Elko County, Nevada. The proposed project is estimated to provide approximately 200 jobs and to operate for 20 years.
