

and served according to the rules set forth in § 10.63(a). The show cause order must give a plain and concise description of the allegations that constitute the basis for the proposed suspension. The show cause order must notify the respondent—

(1) Of the place and due date for filing a response;

(2) That an expedited suspension decision by default may be rendered if the respondent fails to file a response as required;

(3) That the respondent may request a conference to address the merits of the show cause order and that any such request must be made in the response; and

(4) That the respondent may be suspended either immediately following the expiration of the period within which a response must be filed or, if a conference is requested, immediately following the conference.

(d) *Response.* The response to the show cause order described in this section must be filed no later than 30 calendar days following the date the show cause order is served, unless the time for filing is extended. The response must be filed in accordance with the rules set forth for answers to a complaint in § 10.64, except as otherwise provided in this section. The response must include a request for a conference, if a conference is desired. The respondent is entitled to the conference only if the request is made in a timely filed response.

(e) *Conference.* An authorized representative of the Internal Revenue Service will preside at a conference described in this section. The conference will be held at a place and time selected by the Internal Revenue Service, but no sooner than 14 calendar days after the date by which the response must be filed with the Internal Revenue Service, unless the respondent agrees to an earlier date. An authorized representative may represent the respondent at the conference.

(f) *Suspension—(1) In general.* The Commissioner, or delegate, may suspend the respondent from practice before the Internal Revenue Service by a written notice of expedited suspension immediately following:

(i) The expiration of the period within which a response to a show cause order must be filed if the respondent does not file a response as required by paragraph (d) of this section;

(ii) The conference described in paragraph (e) of this section if the Internal Revenue Service finds that the respondent is described in paragraph (b) of this section; or

(iii) The respondent's failure to appear, either personally or through an authorized representative, at a conference scheduled by the Internal Revenue Service under paragraph (e) of this section.

(2) *Duration of suspension.* A suspension under this section will commence on the date that the written notice of expedited suspension is served on the practitioner, either personally or through an authorized representative. The suspension will remain effective until the earlier of:

(i) The date the Internal Revenue Service lifts the suspension after determining that the practitioner is no longer described in paragraph (b) of this section or for any other reason; or

(ii) The date the suspension is lifted or otherwise modified by an Administrative Law Judge or the Secretary of the Treasury, or delegate deciding appeals, in a proceeding referred to in paragraph (g) of this section and instituted under § 10.60.

(g) *Practitioner demand for § 10.60 proceeding.* If the Internal Revenue Service suspends a practitioner under the expedited suspension procedures described in this section, the practitioner may demand that the Internal Revenue Service institute a proceeding under § 10.60 and issue the complaint described in § 10.62. The demand must be in writing, specifically reference the suspension action under § 10.82, and be made within 2 years from the date on which the practitioner's suspension commenced. The Internal Revenue Service must issue a complaint demanded under this paragraph (g) within 60 calendar days of receiving the demand. If the Internal Revenue Service does not issue such complaint within 60 days of receiving the demand, the suspension is lifted automatically. The preceding sentence does not, however, preclude the Commissioner, or delegate, from instituting a regular proceeding under § 10.60 of this part.

(h) *Effective/applicability date.* This section is generally applicable beginning June 12, 2014, except that paragraphs (b)(1) through (4) of this section are applicable beginning August 2, 2011.

■ **Par. 11.** Section 10.91 is revised to read as follows:

§ 10.91 Saving provision.

Any proceeding instituted under this part prior to June 12, 2014, for which a final decision has not been reached or for which judicial review is still available is not affected by these revisions. Any proceeding under this part based on conduct engaged in prior

to June 12, 2014, which is instituted after that date, will apply subpart D and E of this part as revised, but the conduct engaged in prior to the effective date of these revisions will be judged by the regulations in effect at the time the conduct occurred.

John Dalrymple,

Deputy Commissioner for Services and Enforcement.

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from regulation.

This deviation allows the bridge to remain in the closed position so that cyclists can safely exit Union Point Park and enter the bike route.

DATES: This deviation is effective from 8 a.m. to 9:30 a.m. on September 6, 2014 and again from 8 a.m. to 9:30 a.m. on September 7, 2014.

SUPPLEMENTARY INFORMATION: The Event Director for the Bike MS: Historic New Bern Ride along with approval from the North Carolina Department of Transportation, owner of the drawbridge, has requested a temporary deviation from the current operating schedule to accommodate the MS Bike Ride.

The US 70/Alfred C. Cunningham Bridge across the Trent River, mile 0.0, a double-leaf bascule drawbridge, in New Bern, NC, has a vertical clearance in the closed position of 14 feet, above mean high water. Under the normal operating schedule, the US 70/Alfred C. Cunningham Bridge would open on signal during this timeframe. However, under this temporary deviation, the drawbridge will be allowed to remain in the closed-to-navigation position from 8 a.m. to 9:30 a.m. on Saturday, September 6, 2014; and from 8 a.m. to 9:30 a.m. on Sunday, September 7, 2014 to accommodate the Bike MS: Historic New Bern Bike Ride.

Vessels that can pass under the bridge without a bridge opening may do so at all times. There are no alternate routes for vessels and the bridge will be able to open in the event of an emergency. The Coast Guard will inform the users of the waterway through our Local and Broadcast Notices to Mariners of the closure periods so that vessels can plan their transits to minimize any impact caused by the temporary deviation. At all other times during the affected period, the bridge will operate as outlined at 33 CFR 117.843(a).

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 2, 2014.
